Report

The Endowment Lecture seminar was organized by the Post Graduate and research Department of Physics on 27th February 2019. Dr Joe Jacob, who is famous for his research contribution to the research which lead to the discovery of the famous supercluster “Saraswathy”. He delivered a talk on the “Constitution of the Universe”. He explained to the students about the evolution of the Universe. He shared his research experience in the field of astrophysics. He really inspired the students to learn more about the Universe.
