LA RICERCA

**PERSPECTIVES IN RESEARCH
STUDENT ORGANISED SEMINAR**

La Ricerca
Perspectives in Research

Organised by the students of the Department of English, La Ricerca envisions a confluence of academicians and scholars with the intention of facilitating the exchange of expertise, knowledge and information pertaining to the latest trends in research. This two-day seminar offers a discursive platform for aspiring researchers and seeks to empower probing minds with adequate and effectual guidance towards academic inquiries. Participants will be exposed to meticulously curated talks, discussions and activities leading to a comprehensive understanding of research possibilities and methodologies. The seminar will host veteran academicians as resource persons. We invite all colleges to join this intellectual pursuit for divergent perspectives, interpretations and cognizance.

Student Coordinators

Road to Research

We have developed an innovative ideating platform as part of La Ricerca. Aspiring researchers and students attending the seminar can also take part in this challenging ideating exercise, creatively designed to aid the identification and development of potential research areas suited for each individual. "Road to Research" would be awaiting curious minds at the seminar venue. *This might just be the place where you find your next big idea!*
