**Date: 5th November 2019**

**Venue: Silver Jubilee Hall**

**Organized by: IPR Cell ,Vimala College, Thrissur**

**Collaboration (if any): IQAC, Vimala College**

**No. of participants: 95**

**Report of Seminar on ‘ Intellectual property rights-promoting innovation’**

Intellectual Property Rights have played a crucial role in assuring the legal protection of our creativity as well as taking it to the next level of global exposure via collaborations with industrial, academic or publishing firms. While promoting the dissemination of knowledge without the fear of losing our claim on it, it also ensures economic incentives to the creators of innovative ideas. While terms like patents and copyrights are becoming more significant in all realms of human creativity and productivity, an awareness of Intellectual Property Rights is essential to people in the field of research and innovation in the academic circles. Aimed at providing a comprehensive knowledge of the latest developments in the various aspects of Intellectual Property Rights, the IPR Cell of Vimala College is organizing a half-day seminar incorporating the knowledge and expertise of veteran resource persons.

**Objectives**

1. To familiarize researchers with various steps to be taken in their pursuits of securing their inventions and innovations
2. To acquaint the participants with legal aspects of Intellectual Property Rights
3. To inspire future researchers to make use of the privileges ensured by law in securing their rights on their intellectual property

Expected participants: 70 teachers (50 from parent institution and 20 from neighbouring colleges)

Venue: Silver Jubilee seminar Hall
