DBT

Department of Biotechnology (DBT) under the Ministry of Science and Technology, over the past 30 years, has given a new impetus to the developments in modern biology and biotechnology. The Department of Biotechnology has been supporting undergraduate science education in the country under "Star College Scheme" and there has been considerable change in the scenario of basic science education.

Star College Scheme

Star College Scheme has been initiated by DBT in 2008 to support colleges and universities offering undergraduate education to improve science teaching across the country. DBT is committed to the values of i) Pursuit of excellence ii) Academic and intellectual freedom iii) Creativity and innovation iv) Diversity v) Cooperation and Communication & vi) accountability.
