Report
Academic Year 2020-2021

Name of the Event: National Webinar on "Introduction to SPSS"

Date: 10.03.2021

Platform: Google Meet. Code: https://meet.google.com/edi-diqj-dgb

Time: 2.30 pm to 4.00 pm

Organized by: Post Graduate Department of Malayalam

Collaboration (if any): Funded by DBT

No. of participants: 58

The webinar on the topic "Introduction to SPSS" was conducted by the Department of Statistics, Vimala College (Autonomous), funded by the Department of Biostatistics, Government of India as a part of DBT-STAR college scheme. The webinar was conducted on 10th March 2021. The programme was felicitated by the student coordinator Ms. Aparna K, S6 BSc Statistics, Vimala College Thrissur.

Dr. Ravishankar N, Assistant Professor, Department of Biostatistics,Vallabhai patel Chest Institute, University Of Delhi was the resource person of the day. The presentation began by introducing the basics of the software SPSS to the participants. Later, he explained how to import the data in to SPSS, how to compute a new variable, the recoding of the variable, how to obtain the frequencies and proceeded with explaining the computation of descriptive statistics, how to draw different types of graphs and diagrams in the software and explaining about various function in SPSS, and last how to save the data file and output in the software. It was an explanatory and informative session, where students interacted, asked questions and cleared their doubts.

The webinar was concluded by the words of gratitude from Ms. Namitha R, S6 BSc. Statistics, Vimala College Thrissur. All the faculty members and participants captured a group picture, after the programme. The certificates for participation were provided to all the participants, through E-mail.

About DBT

The Department of Biotechnology (DBT) is an Indian Government Department, under the Ministry of Science & Technology responsible for administrating development and commercialization in the field of modern Biology and Biotechnology in India. It was set up in 1986. Through several research and development projects, demonstrations, grants and creation of infrastructural facilities a clear visible impact of this field has been seen. The Department has made significant achievements in the growth and application of Biotechnology in the broad areas of agriculture, health care, animal sciences, environment and industry. The proven technologies at the laboratory level have been scaled up and demonstrated in field.

About Star College Scheme

Star College Scheme has been initiated by DBT in 2008 to support Colleges and Universities offering Undergraduate education to improve Science teaching across the country. DBT is committed to the values of 1)Pursuit of excellence, 2)Academic and intellectual freedom, 3)Creativity and innovation, 4) Diversity, 5)Cooperation and Communication & 6)accountability. DBT has therefore, launched a scheme for improving critical thinking and hands-on experimental work at undergraduate(college)level in sciences. It is expected to encourage more students to take up higher education in science. DBT will identify colleges with ambition and potential for excellence and provide academic and physical infrastructure for achieving excellence in teaching and unique exposure of students to experimental science .

About the Department

The Degree Course in B.Sc. Statistics was launched at Vimala College, Thrissur in the year 1981 and M.Sc. programme started in 2020 under the Department of Statistics, affiliated to the University of Calicut. The Department is headed by Dr. Divya P R and is ably supported by a dedicated team of six faculties. The Department understands the need for equipping students with necessary skills and support whole heartedly for the development of students.
