Report of the Programme

The event on Angel Investment has conducted on the objective of providing awareness on the concept of Angel Investments and how it would be beneficial for the students who are going to initiate a 'start up' or entrepreneurship. The resource person for the session was Mr. Emmanuel Thomas, Economist, Columnist and Researcher. He also teaches at the Department of Economics, St. Thomas' College (Autonomous), Thrissur. With his immense experience on Public Finance, Economics and New age business, he started the session by introducing the concepts of 'start ups', entrepreneurship and angel investments. After discussing the theoretical introduction of these concepts, he explained the philosophy, value system and objectives of the Angel Investments in detail. He has also introduced few case studies of Ratan Tata, Sachin Bansal and Anand Mahindra to understand more on the concepts to the participants. He also discussed how these Angel Investments are improving innovation, Creativity, Social good as well as promising attitude among the Millennials. While connecting with the growth of our country, he analyzed and shared how these kind of investments are contributing to the national development. He concluded his session by giving a motivation to the participants to become Job providers rather Job seekers. The session ended at 6.20 pm
