**Organized by: PG Department of Zoology, Vimala College (Autonomous),**

**Collaboration (if any): State Museum and Zoo, Thrissur**

**No. of Participants :38**

#### **Report**

PG Department of Zoology, Vimala College (Autonomous), Thrissur in association with the state museum and zoo organized a webinar series from 2nd to 8th October 2021. The webinar was conducted in connection with **National wildlife week celebration**. On 7th October at 6.30 pm, the webinar was held through the Google meet Platform. The webinar includes UG, PG students, and Faculties. All the participants were well satisfied with the knowledge of the resource person and presentations. Altogether the webinar was a great success. Resource persons spend enough time for an interactive session with participants. Dr. Riju. P was the resource person Wildlife Researcher, Senior Research Biologist, SACON, Coimbatore He addressed the “**Human-wildlife interaction: conflict to co-existence**”. The webinar commenced with a prayer song. Student coordinator Ananya. P welcomed the dignitaries and students. Dr. Riju. P described the “Human-wildlife interaction: conflict to co-existence”. The class was very interesting and indeed informative. The way he unveiled the problems and conflicts in Human-wildlife interactions made the class engrossing. Human-wildlife conflict (HWC) is one of the most complex and urgent issues facing wildlife management and conservation today. Originally focused on the ecology and economics of wildlife damage, the study and mitigation of HWC have gradually expanded its scope to incorporate the

human dimensions of the whole spectrum of human-wildlife relationships, from conflict to coexistence. And he spoke about the animal attacks and their different behaviours that are commonly found in farms and other places in our area. He also talked about the different methods to deal with such difficulties without affecting the animals. His expertise in this field added to the beauty of the webinar. The session ended with a discussion session many students and faculty enthusiastically came up with their doubts. A feedback link for the webinar was provided at the end. We concluded the session at 7.30 pm with a vote of thanks by Arya T. R.
