**No. of participants: 45**

Department of Botany conducted a student organized inter-collegiate seminar on “**Bioinformatics Data base searching and Protein structure prediction**” as a part of **Lecture series supported by IQAC** of Vimala College on 11<sup>th</sup> November 2017. The aim was to enhance the academic excellence of Post Graduate Students of the Department. The resource person was Dr. S. Jayasree, Associate Professor, Head of department of Zoology, Mercy College Palakkad. Her field of specialisation is Bioinformatics.

The session commenced at 1.30 PM. Ms Surya C.B, Fourth semester M Sc. Student welcomed the gathering. Felicitation was given by Dr.Minimol, IQAC coordinator, Vimala College, Thrissur. In her lecture Dr. Jayasreee madam discussed about history, basic tools in bioinformatics, biological database, its necessity, scope of bioinformatics in current scenario which include database search, phylogenetic influences etc., practical application such as rational drug designing, gene therapy, vetenary science etc. The class was very fruitful and informative. After the class Ms Anusha N.B. First semester MSc. Student Malavika Nair proposed the vote of thanks.
