About the college & Department

Vimala College, established in 1967 is a first-grade women's college and considers its mission as to "equip and empower women for their lives". The institution now caters to around 2500 students and offers 16 Under-Graduate and 13 Post-Graduate programmes, and is a centre of Research in English, Commerce and Physics. As Vimala completes 51 years of meritorious service to the community, its on a rising scale in NAAC accreditations, adorned with autonomy and equipped with CPE and thus gaining strength and vibrancy to continue its journey.

The Department of Computer Science was established in year 1999 and has trodden the path of excellence by fostering students, imbuing ethical and professional values. The department has gold medalists and many high fliers well placed in India and abroad. The department also engages in continuous assessment and edification of its faculty members and students through outreach and extension programs.

About CSCSTA

The Computer Science College Teachers' Association (CSCSTA) is a professional association and teachers' fraternity representing teachers of Computer Science and Computer Application working in Colleges situated in Thrissur District and affiliated to the University of Calicut. The purpose of the association is to encourage regional communication and collaboration among faculty members and students in Computer Science, to promote professional interaction and lifelong learning, to recognize outstanding contributions of individuals and organizations and to encourage scholar researchers to pursue studies and careers in Computer Science and Information Technology.

About the workshop

Scientific papers are considered as an important indicator to measure the research output and framing it requires a blend of technical, analytical and writing skills. This workshop is primarily targeted at Research Scholars/academicians in providing useful insights about writing a good quality research paper.

About the resource person

Dr. Madhu S. Nair, is a recipient of many prestigious awards including Swami Vivekananda Yuva Prathibha Puraskaram 2017 and a hard-core academician and has deep-rooted interest in research. He has published around 77 research articles in internationally listed databases and a well-known orator on indexing and publishing. He is in the editorial board of various reputed journals and is the right choice for the workshop.
