➤ **ASSIST @ 75: Independence Day Programme by Unnat Bharat Abhiyan**

Independence day generates a feeling of 'oneness' among people. It unites the people and makes them feel that we are one nation with so many different languages, religions and cultural values. Unity in diversity is the main essence and strength of India. We feel proud to be part of the largest democratic country in the world, where the power is in the hands of the common man.

India achieved independence on 15th August 1947 after years of struggle. On this special year, when India completed 75 years of complete freedom, UBA lends hands to those people who are intellectually disadvantaged and financially poor. On this occasion, UBA extends educational materials (Notebooks, pen, pencil and eraser set) to 75 students who are inmates of social service institutions and orphanages in UBA villages.

The institutions selected for the activity are Govt. Children's Home, Padukkad, Thrissur; St. Joseph's Convent Special School, Vilvattom, Thrissur and Pope Paul Mercy Home, Mulankunnathkavu, Thrissur. The teachers in charge of UBA – Dr. Salini K. and Ms. Sreekala – have visited the institutions and handed over the materials to the inmates with the permission of authorities following covid protocol.
