<b>Name of Activity</b>	<b>'Interventions' -English Language Training for the Students of Govt. UP School, Ramavarmapuram</b>
<b>Date</b>	<b>2019-20</b>
<b>Organized by</b>	<b>Department of English, Vimala College, Thrissur</b>
<b>Collaborations (if any)</b>	<b>Govt. UP School, Ramavarmapuram</b>
<b>No. of Students Participated</b>	<b>41</b>

Interventions is an extension activity envisaged by the Department of English to include service-learning as a life changing educational experience for the BA Functional English students (2019 batch). It combines classroom learning goals and community service in a way that develops both the student and the community. Thus, learning becomes tangential and not directly restricted to the classroom. Govt. UP School, Ramavarmapuram, though situated in the urban area in Thrissur, has majority of the students belonging to the socially and economically marginalized groups-7% of the students coming from Child Care Home and Jawahar Bala Bhavan. Extending services to these peripheral sections is a stride towards the upliftment of the local subaltern groups, making education meaningful. The focus of Interventions is the improvement of the four skills in English –Listening, Speaking, Reading and Writing at the upper primary level. Interventions started in November 2019 and II Semester BA Functional English students started their first session at Govt. UP School, Ramavarmapuram, on 29<sup>th</sup> November 2019. The Principal of the school inaugurated the programme and welcomed them. They interacted with the students from 10:40 am to 11:40am. The introductory session was a useful to establish a rapport between the student educators and the school students. Small study groups with two student educators and two students were formed. Assessment was done by the student educators at the initial stage. Simple language learning techniques are used by the student educators to assess their students. Degree students engaged their mentees one hour in alternate weeks.
