No. of Students Participated	47

Methodology

- Organizing awareness programs on waste management and increase the consciousness of students in protecting environment.
- To advance and apply best practices in ecological waste management including material substitution, reuse, repair, recycling and composting.
- Render services and financial support to financially backward students.
- Involve students in extra-curricular activities to develop co-curricular skills and help them to pursue interests outside the standardized academic context.
- Conducting onam celebrations and ensure the participation of students in various games, music, dance programs etc...Distribution of onam kit as part of the celebration.
- Mentoring of students and counseling.

Problems identified and to be addressed

- Lack of financial support
- Lack of academic resources As fund is limited there is crunch in availability of academic resources
- Outcomes expected
 - Waste management awareness classes would help to make waste disposal more manageable and efficient.
 - Cultural programs, dance club and music club will help to develop good co-curricular skills in students.

- Counseling and mentoring will make the students feel supported and also help to solve various problems addressed by them.
- Academic coaching classes would help them to acquire good results in examinations and as well as to increase subject knowledge.
