Detailed report :-

1. Name of the event: World reptile day' celebrations

Date: 01-08-2018

Teachers in charge: Sr.Freny Jacob

Faculty involved in the programme: Dr Indu MS

No. of participants: 2 II PG students and faculty from the department

Department of Zoology organized 'World reptile day' celebrations at State Zoo and Museum, Thrissur: PG student representatives as '*student animaladvocates*' and educate the selected members from various schools about the habit, natural habitat, protection status, threat and conservation measures of a particular animal selected for that day.

Ms.Maria Joby, 1st sem PG, Reema Paul of 3rd sem PG presented a topic on 'classification of reptiles' and 'Poisonous and non-poisonous reptiles and its conservation' respectively, for 40 students from the Holy family, HSS school Thrissur. School students got a chance to know more about the types of reptiles and how to identify venomous and non-venomous snakes. They also got an idea about the importance of an animal in their ecosystem and how it relates with human life directly or indirectly. Our students also benefitted by getting an opportunity to enhance communication skill by speaking with the community and to develop empathetic concern about the animal and to raise voice for their protection.
