Date: 05-01-2018

Teacher in charge : Sr.Freny Jacob

Faculty involved in the programme: Smt. Parvathy

No. of participants: 2 II PG students and faculty from the department

Department of Zoology organized ‘Bird day’ celebrations at State Zoo and Museum, Thrissur. Student representatives as ‘*student animaladvocates*’ educated the selected members from various schools about the habit, natural habitat, protection status, threat and conservation measures of a particular animal selected for that day.

Snehal sunny, II year PG student and Ann Mary Thomas, II year UG student presented topics on birds for 40 students from the Holy family, HSS school Thrissur. School students got a chance to know more about the types of reptiles and how to identify venomous and non-venomous snakes. They also got an idea about the importance of an animal in their ecosystem and how it relates with human life directly or indirectly. Our students also benefitted by getting an opportunity to enhance communication skill by speaking with the community and to develop empathetic concern about the animal and to raise voice for their protection.
