➤ 12/06/2020

Paper bags are an environment-friendly alternative to the harmful plastic bags and "Paper Bag Day" is celebrated worldwide on July 12. The day aims to spread awareness about using paper bags instead of plastic to help reduce plastic waste that take thousands of years to decompose. The UBA team of Vimala College (Autonomous) has organized students (online) to make paper bags at home and distribute the same to their neighbourhood houses. 16 students have undertaken the project and they have taken the responsibility fruitfully.
