Detailed Report

1. 11th April 2021 – Meme Creation

On the first day of the campaign, we thought of interesting ways of creating awareness among people and came up with the idea of memes/trolls. Apart from being vibrant and funny, it carries tremendous meanings in them. Memes spread rapidly through social Medias and are generation's way of expressing thoughts.

2. 12th April 2021 – Poster Making

- We created posters to spread the awareness and importance of vaccinating.
