To Whomever It May Concern:

This is to certify that Jazna Faisal, a student of B.Sc. Statistics, Vimala College, Thrissur, Kerala - 680009, has successfully completed her Internship at M/s Sanfoundry, Bangalore. The duration of the Internship Program was 2 weeks (Feb 18th, 2021 to Mar 4th, 2021).

She has undergone internship as a "Content Writer" and has contributed to Sanfoundry's Global Learning Initiative by writing 95 Books Review on various Engineering Subjects. She has produced good quality artifacts for our program. During the course of the internship, I have found her committed and independent student. She has met my expectation.

The overall rating of her performance during the internship period was "Satisfactory". I wish her all the best in the future!

Thanking you.
