Mou27 & Mou28

Report

Label	List the actual activities under each MoU year-wise	Organisation with which MoU is signed	Year
MoU27	Student & Faculty Exchange, Joint Research Projects etc	Kadambari Memorial College of Science & Management, Kathmandu, Nepal	2019
MoU28	Student & Faculty Exchange, Joint Research Projects etc	St.Xavier's College, Kathmandu, Nepal	2019

The department is having two International MoU's with Kadambari Memorial College of Science and Management, Kathmandu, St.Xavier's College, Kathmandu. It aims to promote the exchange of students and scholars among the different universities across the globe for academic programmes, Internships, Joint research programmes and Capacity building programs.

In 2019 – 20, as part of the student exchange programme, Ms **Smriti Shreshtha** and Ms **Shriya Shreshtha**, two Bachelor of Social Work (BSW) students from St. Xavier's College, Kathmandu has completed a three-week internship with Department of Social Work, Vimala College from 04/01/20 to 23/01/20. The internship consists of field visits to various social welfare organisations such as District Child Protection Unit, ATMA foundation and Gurukulam, Palliative and Hospice Care Unit, District Legal Aid Service and Mediation Centre, District Probation Office and Child Welfare Committee. The interns were involved with article reviews, attending the workshops and regular classes too.

MoU29

Report

Label	List the actual activities under each MoU year-wise	Organisation with which MoU is signed	Year
MoU29	Student internship and zoo related activities.	Zoo & Museum, Thrissur	2019

Brief Report:

1. Nurturing empathetic moments for fauna

➤ 13-7- 2019: Quiz- Objectives of the practice:

- To enhance the interaction ability with the public and common man
- To enhance the presentation skill of students
- To develop the sense of conservation of nature and resources among students
- Improves scientific aptitude of students

II year M.Sc Zoology students, Remya Krishnan, Ms.Jesty P.V, Ms. Mariya Joby and Ms. Jamsheela V arranged a quiz programme at Zoo for the zoo visitors on the topic ‘Amazing world of snakes’.

➤ 16-7-2019: Ms. Mariya Joby and Ms. Jamsheela V, II year PG, presented a topic on

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

“Identification of snakes” and ‘Habit and habitat of venomous snakes in Kerala’ respectively in connection with the observance on ‘World snake day’ for 35 students from Bhardhiya Vidya Bhavan, Poochetty, Thrissur .

- 8-10-2019: Ms.Remya and Ms.Megha K.M, II year M.Sc Zoology students, presented a topic on ‘Plastic pollution and its adverse effect on life Below water” in connection with the closing ceremony of ‘Wildlife week celebrations’ at Zoo and museum. 40 students from Crescent Public School, Chalakudy were the special invitees for attending the programme

Outcome: students got an opportunity to interact with the school children and to impart in them the idea of conservation of snakes which are facing the threat of extinction due to human interference and habitat loss

2. Environmental day celebrations at Zoo

27-6- 2019: As a part of world environmental day, 2 students from M.Sc Second year (Ms. Remya Krishna & Ms.Jesty P.P) presented a topic on “Causes and effects of Air Pollution’ at State museum and zoo, Thrissur.

Objectives: Department organized an environmental protection and awareness programmes for zoo visitors and invited school children at Zoo and Museum, Thrissur.

Outcome: students got an opportunity to interact with the school children and impart the idea of conservation of environment and adverse effects of air pollution.

3 Faculty members, Ms.Indu M.S, Deji A.D and Mr.Leo along with 12 3rd sem PG students visited the zoo and planted the tree along with the superintendent of Zoo and other Zoo employees.

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

On the same day, two 3rd sem PG students, Anu Nixon and M.S Shipa presented a topic on 'Plastic pollution' for 40 school students from K.V. Thrissur with the aim of imparting awareness about the health effects of plastic in biota for the zoo visitors

Outcome: students got an opportunity to interact with the zoo visitors and school children from KV Thrissur, and impart the idea of conservation of environment.

8-10-2019: Wildlife week celebrations closing ceremony was organized at Zoo with street play, awareness talk by students and quiz programme

➤ Objectives of the practice:

- To bring out socially responsible citizens for the coming years
- To enhance the interaction ability with the public and common man
- To enhance the presentation skill of students
- To develop the sense of conservation of nature and resources among students
- Improves scientific aptitude of students
- Personality development
- To be a part of a social service activity
- Awareness among students and community about different animals for which each day is allotted

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

Students performed a flash mob on the theme 'Plastic pollution and its adverse effect on life Below water' for the zoo visitors. Created awareness about the need for protecting the habitat of animals and their role in ecosystem. They also sung a group song based on the theme of 'protecting our wildlife' Ms.Remya Krishnan, PG student delivered a talk on ' Say No to animal exploited products' Megha K.M, II year PG student presented a talk on 'How to protect life below water' for school children from crescent public school, Chalakudy and other zoo visitors

➤ Outcome

Helped the students to develop Environment consciousness and to enhance organizational capacity in environmental related programmes. Programme also helped to impart the concept of conservation and complexity in the bio networking in Zoology graduates.

MoU30

Report

Label	List the actual activities under each MoU year-wise	Organisation with which MoU is signed	Year
MoU30	Audit Course and student projects	Rosen Fisheries -Marathakkara, Thrissur -680306	2019

Report of Ability Enhancement Course (Audit Course) Conducted by Department of Zoology - Innovative Farming Techniques in collaboration with Rosen Fisheries, Marathakkara, Thrissur as a part of curriculum for increasing skill development in

Aquaculture

As a part of Ability Enhancement Course (Audit Course), twelve first year M.Sc

Zoology students visited Rosen Fisheries, Marathakkara, a private ownership aquaculture farm established in 1987 which is run by Mr C D Sebastian. Aim of the course was to get hands-on experience on new aquaculture techniques which can be utilised for their future employment opportunities and for improving their skill. The fee of this programme is Rs. 1500/-. The syllabus of the course include, Basic Concepts of Aquaculture, Pond based aquaculture system, Flow through System, Biofloc aquaculture system, Recirculation aquaculture system, Aquaponics and the recent trend on Aquaculture management and marketing.

The course started in July 2019. During the course the proprietor Mr C D Sebastian gave a talk on the importance of aquaculture and need for developing a Hi-Tech Aquaculture Farm and also a brief introduction on Biofloc aquaculture system he is practising in the farm. He explained the reduced availability of fish and shrimp from sea and other resources and the demand and enhancing price for seafood. Considering the advantage of natural facilities, quick turnover, assured return on investment, ready market and availability of vast stretch of suitable area at a cheaper rate etc. offer a golden opportunity for fresh water fish culture in Kerala and he started this farm in this vision. The species found suitable for this area are Tilapia, Nutter and Rohu. He also explained on the importance of Bio floc system, which is a super intensive system of aquaculture

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

in which the production level can be increased to 5 times of the conventional level. Students also learned on the bio flock system of aquaculture in detail and familiarized with the Azolla pond and small nursery tanks rearing the young ones. They also attended a detailed class on common cultivable fishes of Kerala like Catla, Rohu, Mrigal, Silver carp, Tilapia etc. They also learned the marketing and management techniques for fishes, aquaculture equipments, fish feeds (artificial and live), water quality test kits for testing ammonia, nitrate, nitrite etc. A class on aquaponics, which is the integration of recirculating aquaculture and hydroponics in one production system and the recirculation aquaculture system (RAS) and other traditional techniques is also conducted for students. After completing their internship, a written examination was conducted and the certificates were issued to all the students.

Proprietor of the firm: Shri C D Sebastian, X/432-B, Puthur Panchayat, Marathakkara-p.o. , Thrissur-680 320. Kerala India

Faculty in Charge: I st year PG Tutor, Dr Meera K M

HOD: Dr Honey Sebastian, Department of Zoology, Vimala College, Thrissur

MoU32	Basic computer course for S3 BSc Botany Students	G-Tec Computer Education, Indus Avenue, Kallai Road, Calicut	2019

➤ **G-Basic**

➤ **Objective**

The very basic course as the name implies, specially designed for the very novice to make them a “well aware” type of user. Duration - 36 Hrs /1 Month

➤ **Exit Profile**

- ♣ Able to operate computers with ease
- ♣ Use MS Office applications for office automation
- ♣ Use Internet for basic requirements such as surfing and searching
- ♣ Create and use E-mails

➤ **CAREER PATH**

- ♣ IT Educator
- ♣ Office Assistant
- ♣ Office secretary

➤ **FACULTY SKILL SET**

- ♣ Knowledge in Computer Basic & MS DOS
- ♣ Knowledge in Windows 7/8 & applications
- ♣ Knowledge in MS Office 2013/2016

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

➤ **HARDWARE AND SOFTWARE REQUIREMENTS**

- ♣ Operating System : Windows 7/8
- ♣ Minimum Memory : 512 M
- ♣ Recommended Memory : 2 GB / 4 GB
- ♣ Minimum Disk Space : 500 MB free
- ♣ Recommended Disk Space : 1 TB
- ♣ Browsers : Mozilla / IE 8

COURSE OUTLINE

TRAINER GUIDE

1. Computer Basic & MS DOS (8 Hrs)

Fundamentals - History of computing, Modern Computers, Computer Hardware, Input Devices, Output Devices, System Unit, Storage Devices, Removable Storage Devices, Types of Computers, Computer Software, Communication Devices, Accessories. About DOS, DOS File system, Elementary and intermediate DOS commands: DIR, DATE, TIME, CLS, VER, DISKCOPY, FORMAT, VOL, LABEL, CD, MD, RD, PROMPT, MOVE, COPY, TYPE, DEL, REN, MOVE, and RD/S; Advanced DOS commands: ATTRIB, SUBST, XCOPY, DOSKEY, and the MS-DOS Text Editor. LAB: Introduce Computer I/O devices, System Unit, User uncommand and menu to switch to DOS mode, Practice DOS commands, use advanced DOS Commands.

2. Windows 7/8 & Introduction to OS/GUI (10 Hrs)

Introduction to Windows 7/8, Mouse Basics, Working in Windows 7/8, Learning More about the Mouse, Components of a window, Quitting Windows 7/8, Using Explorer Window, Getting familiar with desktop, window sizing, creating program shortcuts, Windows Accessories.

LAB: Introduce OS, the basic components of windows, task bar, start button, opening programs using start button, viewing recently used documents, quick launchers, adjusting time/date, switching between programs using mouse and keyboard shortcuts, and all basic computer operations. Windows Explorer saving file, printing a file, Installing a printer, files

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

and folders in Windows, Opening Explorer Window, parts of an Explorer window, basic file operations through Explorer window, Emptying Recycle bin, window sizing, creating program shortcuts. Windows Accessories: Paint, Wordpad, Calculator, Windows Media player, Playing VCDs and DVDs, playing movie in full screen mode, Saving movies, working with images, Copying photographs from Digital camera, using removable storage devices (pen drives, data discs).

3. MS Office (10 Hrs)

Getting Started with Microsoft Word 2013/2016 Exploring New Features in Word 2016, Starting Microsoft Word 2016, Creating a New Word Document, Saving a Word Document, Applying Basic Formatting, Working with Styles, Applying Bulleted and Numbered Lists, Using Cut, Copy, and Paste Commands, Using Find, Replace, and Go To Commands, Printing a Word Document, Opening an Existing Word Document, Closing a Word Document, Exiting Microsoft Word.

Exploring New Features in Excel 2016, Creating a New Excel Workbook, Saving an Excel Workbook, Adding Data to Cells, Adding Data using AutoFill, Modifying Cells, Rows, Columns, and Worksheet, Hiding and Unhiding Rows and Columns, Wrapping Text, Changing Number Formats, Adding Borders to Cells, Applying Conditional Formatting, Renaming a Worksheet. Accessing Workbooks from the Web, Opening an Existing Excel Workbook, Printing a Worksheet or a Workbook, Closing an Excel Workbook, Exiting Microsoft Excel

Getting Started with Microsoft PowerPoint 2016

Exploring New Features in PowerPoint 2016, Creating a Blank Presentation, Saving a Presentation, Adding and Removing Slides, Adding a Title and Subtitle to a Slide, Adding Text to a Slide using Text Boxes, Setting Up and Running a Slide Show, Broadcasting PowerPoint Slideshows, Recording Slideshows as Videos, Packaging a Presentation on a CD, Opening an Existing Presentation.

VIMALA COLLEGE (AUTONOMOUS), THRISSUR

4. Internet, E-mail and Chatting (8 Hrs)

What is Internet, basic concepts and html, Internal architecture, browsers, search engines and e-mail providers. Browsing, Searching using search engines, e-mails and chatting. LAB: Introduction to Internet, concept of web, website, server and client. Introduce Internet Explorer and its components (favourites, history, bookmarks, internet options), search using a keyword, experimenting links (text and image), dynamic websites and static websites, Create an email account and basic mail operations (reading mail, sending mail, erasing mail, spams/trash, sent mails, email settings, signatures, inbox and filtering). Chatting using the same account, installing a chat software, setting the visibility, setting picture and text, adding/removing contacts, sending chat request, blocking a particular user.

MoU34	Internship	Cloud Craft Studio Pvt Ltd, MG Road, Thrissur	2019

B.Voc. Internships

The students were sent for a one-month internship during the month of April 2019, starting from 1 April at Cloud Craft Studio Pvt. Ltd., Thrissur. 4 out of 16 interns were offered a full-time position at Cloud Craft, of which one student has joined and others have opted to continue the course.

The students gained practical knowledge in Adobe Photoshop and were able to design posters, fliers, etc. and present them to clients as well. They gained some exposure of the corporate IT environment and were able to hone their creativity and design skills. They appreciated this as a good change of pace from the regular theory and lab classes. Some of the designs that the students created have been selected by the company's clients for publication. They have created a good impression on the staff as well, thereby uplifting the image of the college.

MoU35	Workshop for Women	National Child Development Council, Head Office-Kalkaji, New Delhi, Regional Office- Kallai-Calicut	2019

Workshop:

UGC Centre for women studies and National Child Development Council conducted a one day workshop on personality and career development for women on 24th September 2019. Dr. Sr. Beena Jose, Principal, inaugurated the one day workshop. She enlightened the students with the importance of personality development. The workshop mainly consists two sessions. First session has done by Baba Alexander. He put forward a theme that One World, One Language & a Global Country. He divided the participants in to three groups according to their academic year and assigned tasks to them.

The captains of each group created a sign in and sign off style which helps to remove shyness and stage fear among students. He also introduced some games, which help to improve English language skills. First session concluded at 1:00 pm and second session immediately started at 1:30 pm. It was handled by Dr. Sruthi Ganesh, Program Coordinator at NCDC. She lectured about the career and personality development and also provides simple tips to enhance the interview skills. She stated that, a person's personality is quite important in winning success in life.

MoU38	Workshop for Women	Sahayathrika, SHR Trust, Thrissur	2019

Sahayatrika

UGC Center for Women's Studies of Vimala College (Autonomous), Thrissur in collaboration with Sahayatrika, Thrissur organized a one day workshop on 'Basic Concepts of Queerness and Oppression' on 21st November, 2019 from 12:30 pm to 3:00pm at Lisieux Hall. Inaugural address was delivered by Dr. Sr. Beena Jose (Principal, Vimala College (Autonomous)), who highlighted on the need for an understanding on basic concept of queerness and oppression in present scenario. Technical session for the day was divided between three resource persons. The first session was handled by Mrs. Beena Beuna (Queer Activist) who spoke on multiple dimensions of queerness and oppression. The axioms at which the workshop held was, Introduction to Gender Studies, Feminism, Queer Theories, Gender and history of Sahayatrika. Second section was handled by Harimizhi. K, who is a renowned Transwoman Activist who spoke regarding Transgender Protection Bill and Kerala Transgender Policy. She also highlighted the need and role of the government in protecting their rights. As a ploughed ground for next session a documentary film named "That's My Boy" was screened, which discussed the courageous life of a Transman named Sonu, which showed a new kind of survival and victory among students. Final session for the day was handled by Mr. Praveen Nath a Transman Activist, who shared his various stages of revelations which was challenging while in search of his identity. His life too was challenging and his story of survival was yet another added milestone in the transgender history of survival.
