The screenshot shows a presentation slide titled "Set 'SMART' GOALS" with five columns representing the SMART criteria. A video call overlay from "GTT Trainer12" is visible in the bottom left of the slide. The slide content is as follows:

| S | M | A | R | T |
|--|---|---|---|--|
| Specific | Measurable | Attainable | Realistic | Time-bound |
| Do: Set real numbers with real deadlines. Don't: Say, "I want more visitors." | Do: Make sure your goal is trackable. Don't: Hide behind buzzwords like, "brand engagement," or, "social influence." | Do: Work towards a goal that is challenging, but possible. Don't: Try to make over the world in one night. | Do: Be honest with yourself- you know what you and your team are capable of. Don't: Forget any hurdles you may have to overcome. | Do: Give yourself a deadline. Don't: Keep pushing towards a goal you might hit, "some day." |

Below the slide, a video call interface is shown with a participant named "GTT Trainer12" and a list of other participants: "sitta ...", "Anuja T", "samyukt...", and "Aaranya".
