### ANTI SEXUAL HARASSMENT CELL REPORT 2016-2017

First meeting of the Anti-Sexual Harassment Cell for the year 2016-2017 was held on 7th September 2016 at Silver Jubilee Seminar Hall. It was decided that the class tutors would give an awareness session about sexual harassment. It was also decided that the students be given proper guidance to handle situations involving sexual harassment. In case of the occurrence of any such incident, it is to be reported to the committee immediately.

On 07-09-2016, Anti Sexual Harassment Cell, in collaboration with Women Development Cell organised a talk on sexual harassment. After the talk there was a discussion where many students shared their experience regarding the same. Second meeting of the Cell was held on 2<sup>nd</sup> February 2021. No harassment case was reported in the year 2020-21. The meeting assessed that the functioning of the cell was satisfactory.

No sexual harassment cases were reported in the year
