About the College

Vimala College (Autonomous), a first grade women's college under the CMC Management, was established in 1967 in Thrissur District, Kerala. Ever since its inception, the college has been in the fore-front of higher education in the state. The college offers 16 Undergraduate and 13 Postgraduate programmes and is a Centre for Research in five major disciplines. The institution was accorded autonomy in 2015 and conferred the status of College with Potential for Excellence in 2016. The three NAAC Accreditations bestowed on the institution Five Star Status (2001), A Grade with a CGPA of 3.5 (2014). The college has made remarkable strides in curricular, co-curricular and extra curricular activities.

About the Department

Established in 1967, the Department of Physics has a rich history of more than 50 years. The department has the credit of being the first post graduate Science Department and first Science Research Center of the college.

About "PHYSIGALA"

The biannual venture 'Physigala' is organized by the Department of Physics with an aim to unveil the fundamental principles of Physics for school, college students and public through simple experiments and models. The laws of Physics are applicable everywhere in nature. The Exhibition correlates natural phenomena with Physics and is meant to popularise basic science and trigger a scientific attitude among young minds
