## 2. Constitution of Curriculum Enrichment Committee

### Objectives

To unveil ample opportunities before the student community and engaging them in enriching and acquiring life skills that equip them with professional competence at par with academic excellence

### Constitution

The Curriculum Enrichment Committee includes:

1. The Principal
2. The Co-ordinator
3. The Joint Co-ordinator
4. Members

### Duties and responsibilities

- Introduce courses that shall enhance computer skills and research skills in students
- The Curriculum Enrichment Committee shall conduct meetings to take measures for implementation of add-on and value addition courses on a choice-based system.
- The Committee shall assign a course code to all submissions and prepare the list of all courses offered by departments/firms and circulate the details among the students through student representatives. The prospectus/brochure submitted by departments/firms is released to the students with all relevant details of the course.
- The filled student option form is collected and students are divided based on their choice of course and seat capacity of a course.
- The list of students who opted for each course shall be intimated to the respective departments, course co-ordinators or firms well before the date of commencement of the course.
- Course co-ordinators can then contact students and do the necessary arrangements to implement the course in the time frame suggested.
- A feedback analysis must be conducted at the end of each course (either specific to a course or institutional).
- Course Certificates, if provided, shall be under the monitoring of the Curriculum Enrichment Committee. The committee insists college emblem and signatures of Principal and Course Co-ordinator/HoD in such certificates issued.
