NOTICE

Sub-Implementation of Green protocol and Campus sustainability policy

All the staff/students of this institution are instructed to strictly adhere to the Green protocol and Campus sustainability policy of the institution.

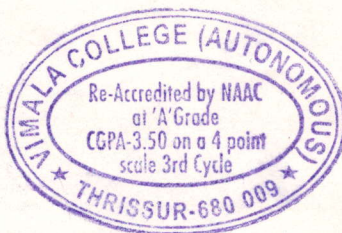

The following instructions are issued in view of the commitment of the College to Green practices-

1. The entry of automobiles inside campus is restricted. Vehicle parking is restricted to dedicated parking lot only.
2. Single use plastic is strictly banned in the campus. All events in campus should be in strict adherence to Green protocol. The Green protocol document is to be displayed in the Department notice board. The use of steel/ceramic cups, plastic free bouquets/banners/files are to be implemented.
3. Staff/students are to increasingly resort to public transport, college bus, bicycles/battery vehicles and practice car pooling.
4. Efforts should be made to preserve the campus biodiversity.
5. Waste generated by any activity in the college has to be properly collected in bins provided for degradable/non degradable waste and disposed of appropriately with minimal hazard to environment.
6. Ensure optimum use of water and energy resources without wastage.

All the staff/students are requested to make efforts to the best of their abilities to contribute towards the commitment to sustainable practices of the institution.
