6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision: We envision the total transformation of young women for their enrichment and of the society at large and the nation as a whole.

Mission: We dedicate ourselves to the mission of training women for academic excellence, development of skill and character formation based on the love of God and service to the society and the country.

6.2 Does the Institution has a management Information System

Partially Yes

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Done by University. Our teachers are active members of Curriculum Development

6.3.2 Teaching and Learning

The Institution has adopted several measures to translate quality to its teaching learning process.

The faculty is constantly groomed through professional development programme organized by the College and elsewhere. All steps are taken to ensure good human resource. The infrastructure, physical and learning, is constantly upgraded to meet the growing academic requirements. The library, a major learning support service, is continuously updated and the Library Committee organizes several motivating programmes. Talks by experts on various disciplines are arranged by the respective departments.

The internal assessment is conducted strictly according to University stipulations and the results are displayed on the notice board, conveyed to the parents and sent to the University.

Various measures are taken to ensure that academic excellence is sustained across all categories of students: tutorial, mentoring, advanced learners catering to slow learners, peer teaching, bridge courses, remedial courses, etc. A meticulous feedback mechanism is in place and suggestions of the stakeholders are given serious consideration. Value education and value addition programmes are made part of the curriculum. New initiatives like WWS, SSP, ASAP etc has been introduced in our college in accordance with KSHEC.

6.3.3 Examination and Evaluation

End Semester examinations are conducted by the University. In between a semester two internal exams are conducted by college and the internal grades are published.

6.3.4 Research and Development

Elaborate effort is made to inculcate research culture among staff and students. The library is a knowledge house with ample resources. Faculties are expected to pursue PhD and post doctoral programmes and make optimum use of the FDP facility provided by the UGC. Currently our 7 staff members are undergoing FDP.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library

The library is located in a separate complex in the main building. It is a major learning resource and has an impressive collection of books, periodicals, magazines, digital resources, and audio visual collections. Most of the Departments have their own library to cater to immediate requirements. All the resources are catalogued and the functioning of the library is automated

ICT

All the Departments are equipped with computers, printers, reprography facility, internet connectivity, LCD projector, and so on. all departments have at least one smart class room. The other facilities provided are TV, tape recorder, digital camera, video camera, and so forth. In addition to common facilities, internet is available in every final year class rooms.

Physical Facilities

Vimala College has consistently upgraded both the physical and learning infrastructure to meet the growing academic needs. All the Departments, the administrative block, and other buildings including the library, canteen, hostels and convent are linked by a central intercom facility and a public address system. The front view is an impressive E-shaped main building, enclosed within a beautiful floral garden, botanical garden and a basket ball court. The top 4 floors of the new block, Lissuex Block, is under construction. Swimming pool under Vimala Aquatic academy is under construction

6.3.6 Human Resource Management

Being an aided College, Vimala plans and recruits staff as per the Kerala Government service norms. At present, there are 91 teachers under the Government pay roll. There are 16 faculty members to cater to the self-financing courses. The faculties for UGC funded/self-financing courses are appointed on contract basis. The ratio of teaching to non-teaching, as per Government norms is 3:1.

In addition the Management pays the salary for 16 teaching, 33 non-teaching, and 1 technical staff. Hence the existing ratio of teaching to non teaching is nearly 2:1

6.3.7 Faculty and Staff recruitment

The Management is invested with the authority to recruit staff in strict adherence to the norms stipulated by the Government and the University. The vacancies that arise in the general merit quota, as well as community merit quota are advertised separately in leading dailies, sufficiently in advance. The interview panel comprises a subject expert, a Government nominee, the manager and a representative of the management. The interview is transparent enough to facilitate selection of the most competent candidate, and prevent vested interests.

6.3.8 Industry Interaction / Collaboration

Industry interaction:

Students visit and interact for exposure in their discipline at various institutions like bank, Research labs, industry etc

Collaboration: The post accreditation period witnessed an impetus in this direction although no claim may be made for remarkable achievement. Teachers are encouraged to attend various programmes arranged by other Institutions. The authorities are open-minded in interacting with other institutes for collaboration. There are collaborations with CMET, KILA, APT for organizing seminars and workshops.

6.3.9 Admission of Students

Criteria

The process of admission is strictly in accordance with the University and State Government norms. 50% of the seats are allotted for open merit, 20% for reservation students (one seat in all subjects is reserved for Lakshadweep students irrespective of their caste and religion), 10% community quota and the remaining 20 % is Management Quota with a minimum cut off merit. 1% of the merit seats in degree courses are reserved for each of the three sections of the physically challenged. Two seats in the merit quota in each discipline are reserved as sports quota. Weightage for NCC, NSS and Ex-service man quota is accorded as per the Government rules.

Process

The Admission Committee in the College coordinates the entire process. The admission process begins soon after the qualifying examination results are published. The process of admission was by single window method by the University. Students apply directly to the university through common admission window. The rank list is compiled by the university and the students are admitted based on this rank list. A printout of the rank list of the College is displayed on the notice board. On the day of the admission, students whose admission has been confirmed meet with the Principal and tutor for a personal interview. All the necessary documents and mark list are verified and the candidate is admitted after payment of fees. They are required to present a detailed resume to the tutor. An orientation programme is conducted for the students and their parents. The new students are also given an orientation by the IQAC. The University of Calicut conducts a common entrance test for admission to the MSW programme. Selection of students is based on this test, group discussion and personal interview.

6.4 Welfare schemes for

Teaching	The welfare schemes include staff supporting residential facility, nursery-crèche, canteen , transport facility, bank, store, salary advancing in times of need , education fund for children of menial staff, marriage fund for the poor, and other benefits of being part of Staff Associations

6.8 Does the University/ Autonomous College declares results within 30 days? - Nil

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?- Nil

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The Kerala State Government is the supreme body to accord the status of autonomy and preliminary steps have been taken to introduce it. The Government is considering conferring autonomy to Institutions that have undergone NAAC Accreditations and bestowed with A Grade two times. The status will be conferred only on request for 6 years following which the Institution may reconsider. The Government of Kerala has approved for Autonomus status for our college and at present we are waiting for the UGC visit for the final approval for granting autonomous status.

6.11 Activities and support from the Alumni Association

The Alumnae Association of the College took wings as soon as the first batch passed out. The Association has over the years made remarkable contribution to the Institution through various activities like the awards instituted, The Star of Vimala Contest, Annual Reunion, alumnae shelf in the library, and alumnae echoes in the College Magazine. Alumnae also publishes a newsletter called 'Dear Alumnae' Several Departments invite the alumnae for extension lectures or to conduct workshops and share their expertise with the students. The alumnae has also contributed to the enhancement of learning resources like installation of solar panel in physics department, establishment of computer lab in statistics department .

6.12 Activities and support from the Parent – Teacher Association

PTA:

The College has a vibrant and active Parent Teacher Association. General Body Meeting is held once in a year. At the general body meeting, issues relating to academics, extra academic, infrastructure, etc are discussed. In the interactive session, parents are encouraged to give their feedback and suggest measures for improvement. Talks that can help better parenting and facilitate teacher-parent collaboration are also arranged. For the first UG and PG students and their parents an orientation programme is arranged on their first day in the college. At the Departmental level meeting, the parents meet with the tutor and other teachers to discuss their wards' progress and performance. The PTA is not only an association for the stakeholders, but is also an advisory body of the Institution. It has extended financial support for infrastructural expansion, scholarships and freeships. It conducts the PTA Award Day to honour the achievers among students and staff. The parent-teacher collaboration in the teaching-learning process is one of the main factors that help sustain high quality and excellence. The PTA suggested a Study Centre that offers UG programmes in Commerce, and Business Administration, and MBA. This Centre is a blessing for those who could not avail admission to the regular programme offered in the College. The Education Trust is yet another venture of the PTA that provides financial assistance to educate the children of IV grade staff. The Lissieux Block in the College, a seven storey building of which three have been completed, is partially supported by the PTA.

6.13 Development programmes for support staff

The support staff members are encouraged to attend training programs organized by the college and other Institutions. The Principal takes pains to remind them of their roles and responsibilities in Staff Association meetings regularly. The Manager meets with the staff at least once a year to motivate and encourage them and promise them her support. In the current academic year a one day training on file management and auditing was arranged for the support staff. Representatives from the nonteaching staff have attended classes and workshops on SPARK and online Provident fund conducted by other institutions.

6.14 Initiatives taken by the institution to make the campus eco-friendly -

- Planting of saplings on various occasions to increase the greenery of the campus
- Each department was given a sapling to plant and look after in the campus in connection with environment day
- Use of more solar power
- Rainwater harvesting and waste management
- Setting up of vegetable garden by NSS volunteers
- Maintaining the status of plastic free campus.
- Very Well maintained ornamental garden

Annexure i Best Practices

Best Practice 1.

Title of the Practice : Value added courses to enhance employability skills for the students

Goals

- To add value to the existing curriculum
- To enhance the employability students.

Context: Skill development in students to make them better citizen is a prime motto of the institution. It is envisioned in its vision and mission to transform young women into socially responsible citizen. New add on and certificate courses were planned and implemented to enhance the skill and employability of the students.

Practice

This year special efforts have been taken to ensure participation of all UG first year students in any one of the certificate/ add- on courses. An evaluation was conducted among students regarding previous years' courses and elicited their feedback about the conduct of the courses and obtained suggestion for future programmes. The courses were reviewed and revised based on students' feedback and also introduced new courses to keep pace with the emerging trends, demand and contemporary relevance. The outcome of the programme was acquisition of one certificate in a value added course by all first year UG students. A coaching centre for Civil Services Examination was conducted in collaboration with IPERT. A series of talks and training sessions by eminent resource persons were held. In collaboration with the Government of Kerala, a Diploma in Computer Applications (DCA) was organized for Scheduled Case/ Scheduled Tribe students.

Best practice 2:

Title of the Practice : Innovations for Environment Protection

Goals

- To create awareness among students
- To reduce use of plastics
- To promote reuse and recycle.
- To increase the vegetation by planting more sampling.

Context: Instilling social responsibility to students have always been one of the prime aims of the institution. It is envisioned in its vision and mission to transform young women into socially responsible citizen. The various activities of the institution including the activities of NSS, NCC, Nature club, Bhoomitrasena etc are aimed at inculcating social responsibility in students.

Practice

Plastic free campus.-

The campus is a totally de-plasticized zone. The use of plastic bags, cups and plates are restricted in the campus. Students in the Discipline Committee ensure that

the classrooms and campus are kept clean and plastic free; the NSS volunteers make it a point to pick and dispose every bit of plastic waste from the campus.

The Institution actively participates in green campaigns and has taken the initiative to teach students how to make and use simple eco friendly materials like files, paper plates, etc. Priority is given to the use of organic manure and this message is spread to the local communities. Students were educated on the necessity of effective waste management through invited talks and seminars organized by various Departments, Units and Clubs. Awareness programs are conducted on special days by various Departments. Regular maintenance and upkeep of facilities are undertaken to reduce wastage. Waste bins are provided in all rooms and various convenient spots in the campus to facilitate waste disposal. There are incinerators installed in the College and hostel.

Plantation: The college maintains a green campus by proper maintenance of gardens and plantation of trees and plants. Besides maintaining such plantations, the Institution also sensitizes students to the environment through the observance of Environmental Day, Ozone Day, Forest Day, etc. Observance of Environmental Day on June 5th by planting trees, medicinal plants, organizing various competitions such as quiz poster making, essay writing, etc. During the academic year 2014-15 each department and units planted trees in the college. Distribution of plants and seeds to students and community were also made during the academic year. Trees were planted at Padukad campus by volunteers of NSS and NCC Cadets.

There was active participation in the Swach Bharath campaign of Prime Minister the college secured second position in Calicut University. During the award ceremony principal congratulated the students and honored the ministerial staff for maintaining the campus neatly. The Nature Club also attempt to create environment awareness in students and instill in them love and respect for nature.

Evidence of Success

Clean neat and tidy campus. College secured second position among the colleges in the district level for the Swach Bharath competition.

Problems encountered and resources required

Main problem encountered is the recycling of electronic waste. Eventhough attempts are being made to collaborate with agencies working on E-waste management a proper plan of action is yet to be developed
