REPORT OF THE CAREER GUIDANCE, PLACEMENT & TRAINING
(CGPT) CELL (2014 – 15)

VIMALA COLLEGE, THRISSUR - 9

Career Guidance, Placement and Training Cells are an integral part of today’s educational institutions to improve and ensure quality consciousness in the field of education.

Eminent resource persons from various sectors and esteemed institutions are invited to create awareness on opportunities and changing trends in the job market among the students. Students are kept informed on higher education options and esteemed institutions for the same. Training programmes or workshops on soft skills, communication skills and personality development are organized with a view to support and improve the performance of students in interviews and group discussions. Coaching classes are arranged to develop their skills in competitive examinations. Students are also given general sessions on etiquette, time and stress management, career planning, etc.

Hitherto, CGPT Cell promotes initiatives towards self employment and entrepreneur training and motivates students to choose jobs that go along with their dreams and aspirations. The Cell conducts Orientation Courses for fresher’s to expose to them the new life style of a campus and to acclimatize the college culture, expected grooming, individual retrospection and interaction with the community at large through value based living. The Cell is keen on keeping the database of the outgoing students and also plays the role of a mediator to register with recruiting agencies. Extension activities of the Cell include
newspaper circulation in the campus at subsidized rates, PAN Card campaigns, aptitude exams, social awareness programmes and so forth.

Firms who had their on-campus recruitment drives include Goan Institute of English, Cognizant Technological Solutions, KPMG, and so forth. Off campus interviews have been conducted to reach out to the community at large. ICICI Bank has conducted an off campus interview this year. Other companies have also expressed their interest like Thyrocare and Infosys. Students have also been placed in South Indian Bank, WIPRO, TCS, Syntel, UST Global, iGATE, etc. after being short-listed in the off-campus recruitment drives held by these prestigious firms.
