

Post Graduate Department of Economics
Alumnae Association Activity Report 2014-15

The Alumnae association plays a pivotal role in maintaining a very cordial relationship with the former students and teachers of our college. Dept. of Economics has conducted a reunion of Alumnae in which different batches of BA and MA have participated and some alumnae members participated in the General body meeting of alumnae. The Dept. celebrated the Alumnae day by inviting the retired faculty and old students of the department. The undergraduate students of 2013-14 donated 3 reference books to the department library as a symbol of gratitude. The participation of the alumnae in academics and all kind of activities is really an inspiration for the students at present doing their courses in the Dept. of Economics.
