Alumnae Association Activity Report 2017-18

The Alumnae Association maintains the bond between the college and the student fraternity by providing a platform for gatherings and organization of programmes. Alumnae Accolades 2017 was organized, with awards being given away to illustrious alumnae who have contributed to the international glory of the nation, and who have rendered meritorious service to the Association. Many students from the dept. participated in the same. One of our Alumnae Shima K M(2010-12) MA Batch delivered an Alumnae lecture on Kerala Economy. The participation of the alumnae in academics and all kind of activities is really an inspiration for the students at present doing their courses in the Dept. of Economics. The cooperation from the part of the alumnae group is very essential as far as the development of the institution as well as the departments is concerned.
