# UNHEARD STORIES FROM UNSEEN HEROES

World Humanitarian Day (WHD) is held every year on 19 August to pay tribute to aid workers who risk their lives in humanitarian service, and to rally support for people affected by crises around the world. On this day, the world remembers humanitarian workers killed and injured in the course of their work, and we honour all aid and health workers who continue, despite the odds, to provide life-saving support and protection to people most in need. World Humanitarian Day was established in 2008 by the United Nations General Assembly and was first officially celebrated in 2009. The date of 19th August was chosen as it marks the anniversary of the bombing of the Canal Hotel in Baghdad, an event in which the United Nations High Commissioner for Human Rights, Sergio Vieira de Mello and twenty others lost their lives. Over 130 million people throughout the world are currently in crisis, either through war or natural disasters and are in need of humanitarian aid. The purpose of World Humanitarian Day is to raise awareness of the plight of civilians around the world who have become caught up in conflicts, and also honour and raise support for the humanitarian workers who risk, and sometimes lose, their lives to help.

Vimala College (Autonomous), Thrissur established in 1967 is one of the pioneering higher education institutions in India. # LIFE'S MOST PERSISTENT AND URGENT QUESTION IS, 'WHAT ARE YOU DOING FOR OTHERS?'

This year World Humanitarian Day comes as the world continues to fight the COVID-19 pandemic over recent months. On this World Humanitarian Day, 19 August, we pay a special tribute to Real Life Heroes – humanitarians and front-line workers who are doing extraordinary things to help people whose lives have been upended by crises.

All registered participants will get an e-certificate after the completion of the webinar and filling the feedback form for all days.
