Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		The College has a systematic mechanism to design, develop and implement the curriculum of all courses and programmes. One of the strengths of Vimala College (Autonomous) is its strict compliance to the academic schedule that is prepared in advance. An academic calendar with number of working days, holidays, internal and end semester examinations, term breaks, annual events, special celebrations etc. was prepared in a meeting of the College Staff Council just prior to the commencement of the academic year. This calendar was published in the college handbook enabling the students and faculty to know about the college activities. A departmental calendar was prepared in the departmental faculty meeting at the beginning of the academic year which is in line with the institutional schedule. The syllabus of all courses contains, scheme, course outcomes, and the number of teaching hours for each unit. Each faculty prepared his/her own teaching plan that clearly depicts the topic on each day, the instructional strategies, number of hours etc. All the faculty members were directed to complete the portion in advance giving sufficient time for revision sessions and study holidays for students to lessen the exam stress. The evaluation of the progress in the completion of syllabus is one of the items in the agenda of periodical faculty meetings in each department. The problems such as unexpected absence of teachers due to illness, loss of teaching hours due to other reasons were managed properly with the teamwork of faculty and compensating those hours during Saturdays. Internal examinations were scheduled in an organised and uniform manner having the same schedule for the entire college. This served as a cut-off date for all the faculty to complete their teaching activities. The institution supported one internal examination through online mode. As it is an autonomous institution, the college has freedom in scheduling and conducting end semester examination and publication of results. The college is free from campus politics and there is no loss of manhours due to strikes or student unrest. The co-curricular and extra-curricular activities were planned without affecting the teaching hours. The ability of a teacher in completing the syllabus on time was one of the attributes measured using the faculty evaluation by students.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0
