### **REPORT ON “PINEAPPLE JAM” SALE**

As a part of processed food entrepreneurial skill development programme, the students of III<sup>rd</sup> semester, B.Voc Food processing-Department of Home Science was conducted a programme “**FOODIE'S SPOT**” on 6<sup>th</sup> March 2021 at 12.00pm to 3.00 pm. The motto of this programme was 'EAT HEALTHY & STAY HEALTHY'. The product prepared was pineapple jam. Fresh & good quality pineapples were selected for the preparation of jam and the pulp was extracted from raw pineapple. The pulp were boiled with sugar and lemon juice as per the recipe .End point was determined by refractometer reading. The finished product was sealed in glass bottles by hot filling method. Labels also attached on the bottles.The labels include some important information's such as net weight, MRP, manufacturing date and use by date. All the bottles were sealed carefully. The entire process were done at food science lab. The students sold their product as per the order placed by teaching and non-teaching staffs in the college itself. Pineapple jam rates were 35/- rupees for 100-gram.The programme was ended at 3.00 pm. All the students were actively participated in this event.

The teacher coordinators of this programme were Mrs. Rinu Thomas and Mrs. Archana K and Ms. Anjana Sali, Ms. Nimisha Manoj, Ms. Gayathri Gireesh Nair were performed as the student coordinators. This program was very useful for the empowerment & development of student's carrier.
