REPORT Academic Year 2019-2020

Name of the Event: Talk on opportunities of Medical coding

Date: 23-1-2020

Time: 1.30-2.30pm

Venue: Room NO :702

Organized by: Home Science

Collaboration (if any): Trancoz Academy

No. of participants: 41

Brief Report of the Event

Objective:

- To introduce a new course and its opportunities to the students

As part of Career Guidance, Dept. of Home Science in association with Trancoz Academy conducted one hour session on Medical coding and its opportunities. They had an interactive session with students. They assured 100 percent assistance to the students who complete their 3 months course. All the students got a clear idea about the job specification as medical coder medical transcriber and medical scripiter.

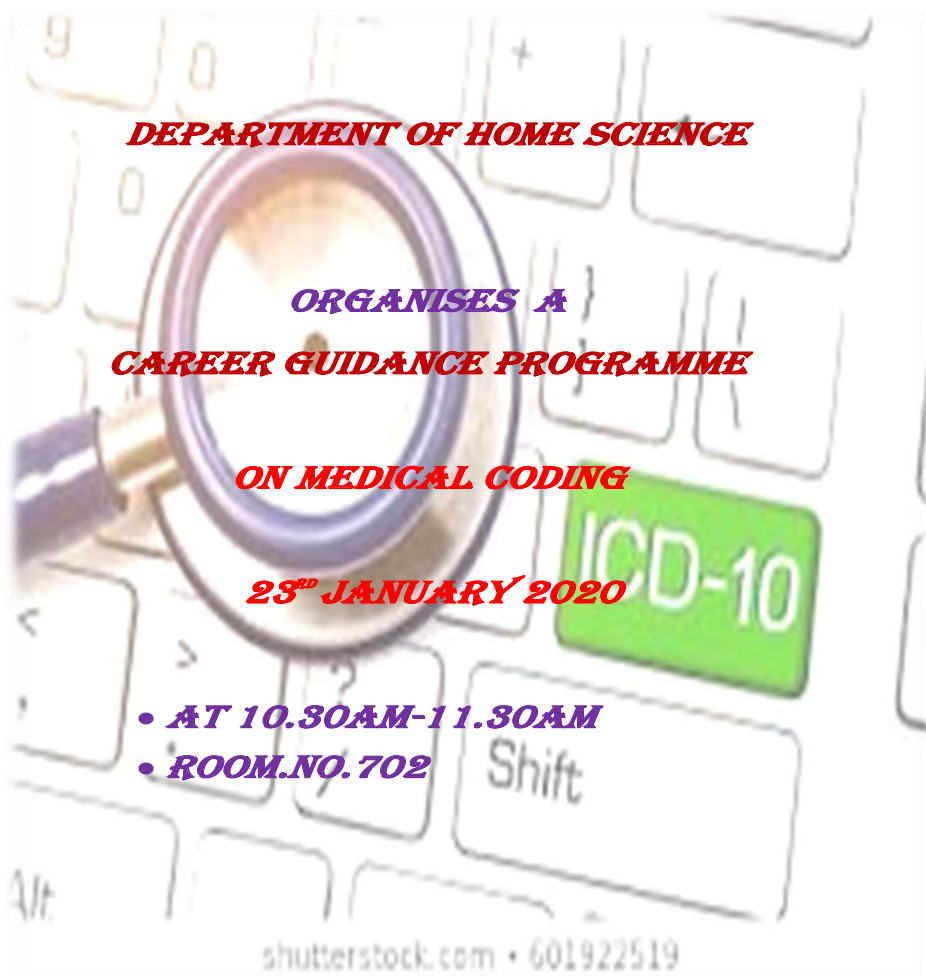

OUTCOME

- Students could understand more about scope of medical coding
