# Research@Vimala

Vimala College (Autonomous), affiliated to the University of Calicut, fosters a vibrant research culture alongside its academic programmes. Vimala College has eleven recognised Research centres under University of Calicut in the following Departments - English, Commerce, Physics, Economics, Social Work, Malayalam, Statistics, Sociology, Botany, Zoology and Chemistry. The college has received financial assistance from various schemes like DST FIST, DST CURIE and DBT STAR. Vimala College offers a strong research infrastructure, including sophisticated instruments and well-equipped laboratories that support experimental, theoretical and field research across disciplines. There are 34 research guides and 80 active research scholars pursuing advanced research leading to Ph.D. degrees at the Institution.
