

VIMALA COLLEGE (AUTONOMOUS) THRISSUR

ANTI NARCOTICS CLUB IN ASSOCIATION WITH THE DEPARTMENT OF SOCIOLOGY

On June 13, 2024, Vimala College Thrissur hosted a significant event where the Anti-Narcotic Cell conducted an "Antitrust Oath" ceremony. This initiative is part of the college's ongoing efforts to combat drug abuse and promote a drug-free campus. The event saw active participation from students, faculty, and staff, highlighting the collective commitment to eradicating narcotics from the educational environment.

During the ceremony, participants took an oath to abstain from drugs and to work towards preventing drug use among their peers. The pledge underscored the importance of maintaining personal integrity and contributing to a healthy, safe, and supportive community. The Anti-Narcotic Cell's initiative aligns with broader educational and governmental efforts to address the growing concern of substance abuse among youth.

The principal, along with key members of the faculty, emphasized the significance of such initiatives in fostering a proactive stance against drug-related issues. The event concluded with a renewed dedication to uphold the values of health, well-being, and mutual support within the college community.

ANTI NAROTICS CLUB

REPORT ON ANTI DRUG RALLY

The Anti Narcotics Club of Vimala College (Autonomous) Thrissur conducted an Anti Drug Rally on 11-06-24 during the lunch break hour inside the college campus. All the members of the club took part in the rally and displayed placards.

The rally was coordinated by the faculty coordinators Dr.Binu K and Dr.Mimi M Saji along with the student coordinators.

Anti Narcotics awareness was successfully cultivated through the rally.

Outcomes and Impact

The Drug Awareness Rally successfully achieved its objectives, with several positive outcomes:

1. Increased awareness about the dangers of drug abuse among students and the community.
2. Enhanced knowledge of available resources and support systems for those struggling with addiction.
3. Strengthened resolve among participants to lead healthy, drug-free lives.
4. Fostered a supportive network within the college to aid in the prevention of drug abuse.

VIMALA COLLEGE AUTONOMOUS THRISSUR

ANTI NARCOTIC CELL IN ASSOCIATION WITH PG DEPARTMENT OF SOCIOLOGY

REPORT ON THE AWARENESS PROGRAMME CONDUCTED ON 14-06-2024

The program aimed to raise awareness about the dangers of narcotics and promote a drug-free lifestyle among students and the local public. It was designed to educate and empower public to resist drug abuse such as the usage and selling of drugs through various interactive and educational activities.

Highlights of the Program:

Keynote Address:

The keynote address was delivered by Dr. Binu K., Associate Professor, Department of Sociology. Dr. Binu emphasized the sociological impacts of drug abuse on individuals and society. The address highlighted statistical data, case studies, and the importance of community involvement in combating drug addiction.

Awareness Session:

The awareness section was conducted with the association of the PG Department of Sociology with the Anti Narcotics Club of Vimala College. Students and members of the club took it as their sole duty to educate people about the selling and usage of drugs.

Mass campaigning was done by the students where they visited local shops and briefed the owners about the potential danger of using drugs and selling them.

Pledge Ceremony:

The program concluded with a pledge ceremony where students vowed to stay away from narcotics and to spread awareness about the dangers of drug abuse.

Outcome:

The program successfully educated and engaged local people on the critical issue of drug abuse. It fostered a sense of responsibility among the youth to act as ambassadors of a drug-free community. The interactive and participatory nature of the program ensured that the message resonated deeply with the participants.

Feedback:

Participants provided positive feedback, appreciating the comprehensive approach and interactive elements of the program. Many students expressed their commitment to staying drug-free and spreading awareness within their communities.

The Department of Sociology and the Anti Narcotic Club at Vimala College Thrissur are committed to continuing their efforts in creating a drug-free environment through such impactful programs in the future.

Report on Drug Awareness Program by Anti-Narcotic Club of Vimala College (Autonomous) Thrissur

The Anti-Narcotic Club of Vimala College, Thrissur, organized a comprehensive Drug Awareness Program aimed at educating students and the community about the dangers of drug abuse and promoting a drug-free lifestyle. The program was held on [insert date], and it featured a series of activities, including seminars, workshops, and interactive sessions, all designed to increase awareness and foster a supportive environment for those affected by drug abuse.

Activities and Highlights

Inaugural Session

The program commenced with an inaugural session, which was attended by students, faculty members, and representatives from local anti-narcotic agencies. The Principal of Vimala College, Dr. [Principal's Name], delivered the welcome address, emphasizing the importance of drug awareness and the role of educational institutions in combating drug abuse.

Exhibitions and Displays

An exhibition was set up showcasing informative posters, pamphlets, and real-life stories about the consequences of drug abuse. Educational materials were distributed to raise awareness and provide resources for further reading.

Closing Ceremony

The program concluded with a closing ceremony, where participants shared their feedback and reflections on the day's events. Certificates of participation were distributed, and the commitment to maintaining a drug-free campus was reaffirmed.

Conclusion

The Drug Awareness Program organized by the Anti-Narcotic Club of Vimala College, Thrissur, was a significant step towards combating drug abuse and promoting a healthier, safer community. Through education, support, and proactive engagement, the program has laid a strong foundation for ongoing efforts to address this critical issue.
