## About the Webinar

DrillBit is a plagiarism detection software designed to identify instances of plagiarism in academic papers, research documents, and other forms of writing. This webinar will empower participants to avoid plagiarism in academic writing and create effective, plagiarism-free reports. A key component will be a demonstration of DrillBit software, illustrating its use in ensuring originality.

## About the College

Vimala College (Autonomous), a first grade women's College under the CMC Management. was established in 1967. Ever since its inception, the College has been in the forefront of higher education in the State. The Institution was accorded autonomy in 2015 and conferred the status of College with Potential for Excellence in 2016. Accredited at the national level with a Five Star status in 2001 by the NAAC, the institution has undergone three subsequent cycles of re-accreditation in 2009, 2014 and 2023 and presently holds the grade A+ with a CGPA of 3.45 on a 4 point scale. All efforts are made to sustain and enhance quality through the synchronization of innovative measures and traditional values. Vimala has made remarkable strides in curricular, co-curricular and extracurricular activities to emerge as a centre of learning to be reckoned in the higher education map of the country. The Library of Vimala College is at the heart of the teaching learning mechanism in the Institution. College Library is the knowledge house of our college which enrich the learning community with its advanced resources and facilities. The Vimala College Library has always been striving hard to meet the expectations of its users.
