

- **Inspirational talk by eminent Mathematicians and alumnae**

Objective : To create interest in Mathematics and mathematical Research

Context : In the present pandemic situation, students attending online classes need to be inspired for getting rid of their loneliness and for engaging themselves in some creative activities

Practice : Talk series by eminent mathematicians and illustrious alumnae.

Evidence of success : All the P G and UG students participated and interacted with the resource person.

Problems Encountered and Resources Required: Uninterrupted internet connection and remuneration for resource person.
