

SUBMISSION OF PROPOSALS UNDER UNNAT BHARAT ABHIYAN

Unnat Bharat Abhiyan Portal is now opening for proposal submissions under socially relevant projects from our college. Each department is encouraged to submit project proposals which are socially relevant and to be submitted in UBA Villages ((1) Kolazhy (2) Madakkathara (3) Vilvattom (4) Mulankkunathkavu (5) Thekkumkara). The proposals are to be submitted on or before **10th September, 2024**

Mechanism of submission of project under UBA-SEGs - STEPS

- 1) Participating Institutes identify the problem by involving their students through participatory approach and finding out solutions for the same after qualitative engagement with the rural people, local bodies, district authorities and obtaining a clear insight into the problems and requirements of the villages associated with them.
- 2) Then the proposed solutions are uploaded on the Unnat Bharat Abhiyan's SEG portal giving a clear statement of the problem, proposed solution, with proof of requirement and willingness to fund the solution by the District Authorities/Central and State Government/Corporates/Philanthropies, cost of the solutions etc., which are then verified by the concerned SEGs involving subject matter experts.
- 3) After thorough evaluation/ discussion of the proposed solutions by the SEGs, financial assistance is recommended by concerned SEG (₹1,00,000 for technology development solutions and up to ₹50,000 for technology customization of any existing solution).
