The second day programme starts at 12.30 pm by a silent prayer. Welcome speech was then delivered by Dr.Sheeja T Tharakan (HoD), Department of Botany presided over the function. The Resource person was Dr. S.Anusuya, Assistant Profressor, Dept. of Botany, St. Joseph's College (Autonomous), Tiruchirappalli. She delivered a talk on Impact of climate change on Biodiversity. She focused on the following points in her talk like an absence of genetic mutations and decrease in species richness greatly enhances the possibility of extinction. Altering the environment puts stress on a plant to increase its phenotypic plasticity, causing species to change faster than predicted. An interactive session was there for the students to clear their doubts regarding the biodiversity.
