Brief Report of the Event:

REPORT ON INDUSTRIAL VISIT TO BANANA RESEARCH STATION, KANNARA

On 16th December 2021, second year B.Voc Food Processing students from Home Science Department, visited Banana Research Station at Kannara along with two faculties Ms.Mony Geegi and Mr. Sakkeer Hussain. There were 34 students, who took part in the industrial visit and reached there, by 11:00am. Main purpose of this visit was to enhance the student's understanding in various operations at banana research station. The faculty of the research station Ms.Chinju welcomed the students and gave a brief description about various topics and processes carried out in the banana research unit. Then the students visited various varieties of banana plants, the way of growing each varieties, drop irrigation method, tissue cultured banana saplings. Then the faculty explained about various value added products that are processed in the banana research unit like cake, payasam mix, cookies, chips etc. The industrial visit ended
