All criteria heads asked to submit the Pen drives with all the data collected so far. Last date: 13.11.2020 (information had already been passed.). QLMs completed - Criteria 1, 2, 3 and 5. 4 and 6 have to be done. Dr Veena raised a concern of the non-availability of Participants' List. - **SSR Presentation:** A draft SSR presentation sessions were scheduled with Dr M P Rajana as resource person

For this purpose, an orientation about what SWOC analysis is - we can have an in-house Resource Person to clarify the purpose and design of the SWOC. A very brief meeting to Summarise the purpose. This can be clubbed with eliciting ideas of Institutional Distinctiveness. Teachers with exposure at other Institutions can help us identify the shortcomings as well as strengths.

- **Academic and Administrative Auditing (AAA) External:** It was decided to conduct AAA this year with external peer team. Templates for the same are being prepared by the IQAC. The time for the same was discussed. **VIMALA COLLEGE (AUTONOMOUS), THRISSUR**

The education sector all across the globe is undergoing an indispensable paradigm shift - a transition from classroom learning to online learning management systems - due to the covid 19 pandemic. Currently, the most pressing concern of the faculty, irrespective of the subjects they handle, is the domain of assessment. There are challenges in ensuring the quality, equity and fairness of assessment for measuring the expected course outcomes as the target group is equally or more tech savvy. Hence a fair grasp of assessment strategies and techniques has become the need of the hour. This faculty enrichment programme aims to train our faculty to assure that they are well equipped with better understanding of various assessment strategies.
