### **Brief Report of the Event (with Photograph)**

Every year on September 16, we celebrate International Day for the Preservation of the Ozone layer. This is to make awareness among the students about the significance of ozone layer preservation, climate change and related environmental issues. The theme of this year's celebration was 'Ozone for life: 35 years of ozone layer protection'. As a part of Ozone Day Celebration 2020, Post Graduate Department of Chemistry organized a Webinar on 16<sup>th</sup> September. The event took place at 9.30 am via Google Meet. Dr. Louise Ko Huang, Assistant Dean of Undergraduate Studies, College of Liberal Arts & Sciences (CLAS), Azusa Pacific University, CA. was the chief guest of the event. The welcome address was proposed by Dr. Theresa C. J, Head of the Chemistry Department. The presidential address was given by our respected Principal, Dr. Sr. Beena Jose. It was followed by a talk on the topic '**Catastrophe Meets Unity: 35 years of Protecting the Ozone Layer**' by Dr. Louise Ko Huang. Both graduate and undergraduate students of Vimala College and faculty members from various institutions participated in the event. The event was concluded by vote of thanks rendered by Dr. Remya Govind, Assistant Professor on Contract, Department of Chemistry.
