

Projects

Sl.No	Year	Topic
1.	2020-21	A comprehensive review on phytochemical analysis and biological activities of <i>Adenantherapavonina</i> L. and <i>Pongamiapinnata</i> (L.) Pierre
2.	2020-21	A review on some of the important indigenous ayurvedicmedines used as immunity booster
3.	2020-21	A comprehensive review on phytochemical and pharmacological applications of <i>Morindacitrifolia</i> Linn. (noni) and <i>Morindatinctoria</i> Roxb
4.	2020-21	A review of the medicinal potential of selected plants from Dasapushpa
5.	2020-21	Medicinal importance of NakshathraVanam plants
6.	2020-21	A role of plant based antiviral compounds against COVID-19
7.	2021-22	Comparative study of <i>Alstoniavenenata</i> and <i>Pittosporumdasycaulon</i>
8.	2021-22	Polyamines: a biomolecule in plant growth regulation
9.	2021-22	A review on phytochemical and pharmacological potential of <i>Dirinaria</i> genus
10.	2021-22	A comprehensive review on phytochemical and pharmacological potential of <i>Parmotrema</i> genus
11.	2021-22	<i>Pterocarpussantalinus</i> . Linn. F(Raktachandanam): A review of its medicinal properties, phytochemistry, pharmacology and conservation status
12.	2021-22	Nanobiosensors for sustainable agriculture
13.	2021-22	A short review of air purification by indoor and outdoor plants
14.	2021-22	A short review of antiviral activities of selected medicinal plants
15.	2022-23	Antibacterial and antioxidant efficiency of <i>Pterocarpusmarsupium</i> Roxb. leaf extract
16.	2022-23	Effect of biopriming agents on seed germination and stress tolerance among selected vegetables
17.	2022-23	Morphological, phytochemical and larvicidal study on four <i>Ocimum</i> species
18.	2022-23	Pjytochemical and pharmacological analysis of <i>Catheranthusroseus</i> (L) G. Don flower extract
19.	2022-23	Study on <i>Clerodendrumpaniculatum</i> Linn. Flower mediated green synthesis of silver nanoparticles and their biological activities
20.	2022-23	Chemical composition and biological activities of essential oil extracted from the leaves of alpiniacalcarata (Roscoe.), a multipotent medicinal plant
