

# Vimala College (Autonomous)

## Thrissur

### REPORT

### Academic Year 2019-2020

**Name of the Unit: "Rangeela" (Dyeing Printing Unit)**

**Date: November 12<sup>th</sup> 2019**

**Venue: Vimala College**

**Organized by: Dept. of Home Science, Vimala College**

**Participants: Students**

### Report

### Objective

- To create innovative Dyed products
- To impart entrepreneurial skill

### REPORT OF THE ACTIVITY

The Department of Home Science established a dyeing and printing unit "**Rangeela**" on November 12<sup>th</sup> 2019. As our first project, the table clothes for all the faculty members of Home Science Department were specially dyed using tie and dye technique. We also extended our products to Hand bags, Duppattas, Scarves and Laptop bags. The teacher coordinators are Suparna M G and Vidya K B and the student coordinators are Bhagya Sadanandan and Dhrishya A Sunil.

### Outcome

- Awareness on dyeing and printing techniques
- Development of entrepreneurial skills
- Experiential learning
- Revenue generation
