15. Multidisciplinary / interdisciplinary

The National Education Policy foresees the fostering of multitalented students in intellectual, aesthetic, social, physical, emotional and moral capacities. In line with NEP, the institution has come up with various avenues to nurture the versatile learner. Apart from offering regular programmes under Choice Based Credit Semester System, the college conducts vocational Programmes in Web technology and Food processing, PG Diploma in Data Science, PG Diploma in Nutrition and Dietetics, Community college programmes such as Diploma in Interior Architecture and Design, Diploma in Digital Video Production and Diploma in Tourism Management and Hospitality. Seminars on contemporary multidisciplinary areas such as Science and Religion, statistical analysis of COVID-19 in the state, globalization, gender sensitization etc. are given due

importance. Multi-disciplinary events such as V TRACK, SPARK and EXPLORIGATE are organized to inculcate multi-dimensional thinking among students. Societal commitment is catalysed through ensuring student involvement in activities of Unnat Bharat Abhiyan, Ek Bharat Shresht Bharat, Swacch Bharat, Azadi ka Amrut Mahotsav, NCC, NSS, etc. Interdisciplinary seminars and projects, research grants under various schemes such as SERBPOWER, DST-NCST, DBT STAR college Scheme, STRIDE, DST-CURIE, SRS-KSCSTE and many more are promoted to mobilize the research culture of the institution. The institution, in future, is willing to take up the conduct of programmes of interdisciplinary nature, organize international events that address multidisciplinary interests, student and faculty exchange initiatives that shall enhance the quality of education to develop human resources as global citizens.

16.Academic bank of credits (ABC):

The implementation of Academic Bank of Credits into the curriculum shall be highly beneficial to students to pursue or exit a course of their liking. Though academically autonomous, University approval in such matters is mandatory in implementing ABC in the institution. The latest regulations of the University for UG as well as PG programmes include audit courses, earning of extra credits by students who participate in activities like NCC, NSS, Swacch Bharath, Social Service Programme, etc., grace marks to students who participate in cultural events, sports and college fitness education programmes. Hitherto, the college has encouraged student enrollment and successful completion of courses under MHRD initiatives like SWAYAM, NPTEL, etc. There are students who complete skill-courses from Registered Higher Education Institutions offering vocational Degree or Diploma or Post Graduate Diploma or Certificate programmes. The accrual and redemption of credits through the Academic Bank of Credits shall be a highly student-centric approach which will be beneficial to the average or slow learner. Students who have to quit the course on unforeseen grounds too shall benefit from credit transfer and credit accumulation in the ABC model. The institution, in future, is willing to be part of government endeavours such as the National Academic Depository or ABC portal as soon as the resolution on ABC is being approved by the higher academic bodies. The college can also institutionalize an online repository for all academic achievements under the Digital India Programme in the years to come.

17.Skill development:

Vimala College, with a vision to improve the quality of

education, has switched onto combining class room centered formal education with experiential learning via industrial practice or internships since the last NAAC accreditation. The college has commenced programmes under Community college and B. Voc schemes aiming at integrating knowledge acquisition simultaneously upgrading human skill towards creating employable youth. Mentoring is so well integrated in our system to motivate and help the students to fruitfully shape their future upholding their interests and current industrial requirements. The college insists students to take up curriculum enrichment courses during the first two years of their graduation. This includes courses to improve their soft skills, communication skills, professional skills and research skills. The institution offers certificate courses in foreign languages (German and French), Trinity Graded Examination in Spoken English, Malayalam and Hindi communication and computing, ACCA, CMA, Diploma in Practical Accounting and Tax Practice and Advanced Course in C++ & Python. Basic skill enhancement courses include soft skills for personal excellence, Mathematics Skill Development Programme, Digital learning and cyber ethics, Statistical analysis, Observational astronomy, Energy auditing, Culinary arts, Practical methods in food analysis, Entrepreneurial skill development and selfemployment for women, Sustainable farming, Econometrics, Fitness with dance, Holistic approach in yoga, Healthy living and many more. The college also hosts Government skill enhancement programmes such as WWS, ASAP, DCA, KILA certified course on Local governance, etc. Vimala college has been 3 star rated by the Institution's Innovation Council of MoE, Government of India. The installation of an incubation centre, research hub and start-up initiatives such as C-glow, V-fert, Aquaphilia, Astrophile, etc. has triggered entrepreneurial skills among students. Activities under dance club, music club, debate club, nature club, Bhoomithrasena, Biodiversity club, Media club and so forth also address interests of students and nurturing of their inherent talents. In future, the institution aims to take up ventures in order to align with the Government of India's National Skills Qualification Framework (NSQF) and requirements of Industry 4.0.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Sanskrit and Hindi are the Indian languages taught in the campus. Observation of Hindi Diwas, Mother tongue day, Keralapiravi, Tourism day, Khadi day, participation in Ek Bharat Shresht Bharat - all are meant to inculcate national spirit in the youth. The activities of the folklore club, promotion of ethnic cuisine, the

library collection of 'Thaliyola Grandham', inception of an art gallery, observance of days of national relevance, events related to 'Karkidaka' week, annual events in honour of literary and national figures - all aim to inculcate and uphold the values of our culture. An area in the campus is specifically defined as "Nakshatravanam" where trees specific to the Malayalam stars are planted. Research and student projects such as Mathematics in 'Vasthu' and 'Athirathram', theyyam, kathakali, literature etc. helps the learner to have a respect towards their culture and understand the value of their rich heritage. Some courses run by the institution in line with integration of Indian Knowledge system includes 'Indigenous knowledge of herbal medicines in Kerala' through MoU with Amrita Ayurveda, Human rights and Fundamentals of Indian constitution.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Vimala has clearly stated Programme Outcomes (PO), Programme Specific Outcomes (PSO) and Course outcomes (CO) for all courses offered by the institution in line with the spirit of NEP. Any course designed caters to cognitive abilities namely Remembering, Understanding, Applying, Analysing, Evaluating and Creating.

Apart from the domain specific skills, outcome-based education (OBE) ensures at all levels social responsiveness and ethics, as well as entrepreneurial skills so that students contribute proactively to economic, environmental and social well-being of the nation. A lot of ventures were organized to acquaint the faculty with the need and framework of OBE. Every effort was made to implement Bloom's taxonomy at various levels - from setting of the question banks to evaluation of the quality of question papers and exam results.

20.Distance education/online education:

Distance education or online education unveils ample opportunities before the learner. Though it lacks face to face interaction with peers and instructors, it brings the comfort of learning a course at one's own pace, acquiring knowledge in a field of one's own taste and interaction with experts beyond geographical barriers. Vimala has been offering courses via the Moodle platform since 2017 which evolved as a major platform for online teaching during the Covid-19 pandemic. Digital platforms were immensely used for engaging classes, for celebrations, for conducting meetings, webinars, workshops and faculty enrichment programs. The various tools used by the faculty now include, Vimala Linways, Google Classroom, Zoom, Moodle, Webex, Teams, Jamboard etc. using videos and presentations as teaching and

learning aids. Assignments, quizzes, surveys and assessments are now effortlessly done online. Student interaction is being ensured via group collaborative activities and projects. The making of short videos, interactive presentations, posters and brochures for academic and non-academic purposes helped to expose the creative talents in students. Blended learning was one of the new normal envisaged in New Education Policy as well. Though Covid-19 kept people indoors, educational scenario has tremendously transformed adapting the educators as well as students to switch between online and offline teaching and learning. Vimala offers discipline specific courses via its learning management system promoting the blended system of learning. The online PG Diploma in Data Science, coaching for competitive exams such as JAM, NET etc. has benefited the students a lot. The use of digital repositories, digital media for virtual learning, virtual labs, credit-based recognition of MOOCs and courses offered by NPTEL, SWAYAM etc. will be ensured at par with high-quality in-class programmes in future. Moreover, internationalization of education will be facilitated through institutional collaboration.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Ever since its inception, Vimala College has adopted all measures to align the curricula to its vision of empowering women. Efforts are made to develop dynamic curricula in order to foster global competencies. The development and implementation of curricula were as follows:

- 1.Directives for curriculum enhancement:
 - NAAC Manual

- Stipulations for Autonomy
- CMC Educational Policy

2.Planning stage:

- Orientation for faculty, Identification of gaps and suggestions for improvement
- Curriculum design for introduction of new programmes

3.Groundwork for OBE consisted of:

- Composition of POs, PSOs, COs, etc in consonance with the Vision & Mission.
- Structuring of Feedback and Constitution of BoS

4.Need Assessment

- Stakeholder Feedback
- Pre-Board discussion
- Suggestions of BoS for syllabi revision

5.Implementation:

- Resolution by the Governing council to initiate new programmes.
- Recommendations by BoS, Ratification by Academic Council and approval by University and Government
- Programmes revised to be in tune with the emerging local, national and global trends.

6.Outcome

• New programmes PG-Statistics, Zoology, Computer Science and UG -Psychology introduced.

The POs reflect a holistic approach towards nurturing a Vimalite adept in social and professional skills apart from specialised knowledge and practical applications of these skills. The curricula are systematically updated to reinforce the learning outcomes outlined in the programmes offered.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

Departments are given flexibility in conducting entry level assessment to identify advanced and slow learners and promote strategies and create an environment for the advancement of both categories of learners. 1. Categorization of Students

- Initial categorization made at the time of admission, based on the result of qualifying examination
- Entry level assessment framework developed by the IQAC
- One Week Student Induction Programme

- Classroom response, tutor interaction, teacher-student interface
- Support to differently-abled students based on need assessment
- Students requiring special attention (other than disability) are also identified.
- Following the performance in subsequent tests, the list of advanced and slow learners is modified.

2.Measures for Improvement:

- The tutor improvises strategies to upgrade slow learners and enhance the performance of advanced learners.
- Specific Programmes for Slow learners:Transition support, Bridge courses, Mentoring sessions to identify and overcome the challenges and difficulties, Remedial coaching, Peer teaching, Library Assistance, Easy comprehension aid simplified learning material, Exam preparation groups, Student Support Programme (SSP) of KSHEC
- Specific Programmes for Advanced Learners: Student as Teacher, Motivational visits Walk With Scholar (WWS), KSHEC, V TRACK, SPARK, V-Lead, YIP, Internships at premier institutes, IIC, ASAP and mentoring for competitions/exams, career guidance etc.

2.3 - Teaching- Learning Process

Page 32/88 30-12-2023 11:59:29

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

College adopts student centric methods including seminars, student as teacher, projects, flipped teaching, blended learning, brain storming, group discussions, paper presentation based on researchon specific topics, assignment, quizzes, structured debates, demonstration, mass display and the use of LMS. 1. Experiential Learning:

- Laboratories practicals projects/ dissertations hands on trainings
- Internships
- Young Innovators Programme(YIP)
- Vimala Tuning Research Aspirants towards Creating Knowledge (VTRACK)
- Study tours/Industry Visits
- Field Trips rural, tribal and community camps and visits, nutrition camps
- Visits to Social Welfare Institutions
- Involvement in social development programmes-street plays, rallies and campaigns addressing social issues (DST-NCSTC Covid Awareness Campaign, drug abuse, water preservation, child labour, protection of human rights etc), medical camps, health campaigns, UBA

2.Participative Learning

- Interface with the experienced: subject experts, persons of eminence, illustrious alumnae
- Student Organized Seminars
- Student Union Activities:
- Activities undertaken under the aegis of the Institution's Innovation Council(IIC)
- Walk With Scholar(WWS), Additional Skill Acquisition Programme(ASAP)
- Activities of NSS, NCC, Alumnae, PTA, UBA, Swachh Bharat Abhiyan, Swachta Pakwada and Departmental programmes

3.Problem solving

- Developing Programmes and projects, Case discussion, Startups, Counselling, Collaborative Projects
- The opportunities obtained through Day Celebrations,
 Activities of various Clubs and forums, certificate
 programmes and extension activities afford students a

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The Institution has earnestly supported academic expansion with the required infrastructural enhancement. 1.Methodical Faculty Orientation for Use of ICT:

- Participation in FDPs/FEPs/Others on : MOOCs, MOODLE, Digital Teaching - Learning Tools and Software, Linways AMS, e-content/e-referencing/e-resources, Training Programmes initiated by the MHRD, UGC-HRDCs, KSHEC, University and other institutions
- In house training by trained faculty on developing online resources

2. Implementation of ICT in teaching:

- Linways AMS: digitizes continuous evaluation (attendance, assignments, internals) and also ensures digital communication of all academic affairs among the stakeholders with separate login.
- Digitalised Examination Procedure
- Question Paper Automation QnSmarti software to ensure confidentiality
- Moodle Courses offered through LMS@Vimala.

3.Infrastructural Expansion for IT Integration:

- Lecture Capturing System, ICT enabled classrooms, laboratories, Seminar/Conference halls
- Automated Library
- The Language Lab: Chomsky Convergence Centre with 24 consoles and a master system functions as both language lab and multimedia room

4. Utilisation of online resources:

- N-LIST INFLIBNET, Subscription to e-journals and elibraries, NPTEL local chapter
- Online Libraries of Universities accessed
- G-Suite license, Coursera for Campus, Zoom, WebEx, YouTube online platforms, Institution e-content repository
- Webinars, Online workshops, virtual labs and Virtual tours

The training provided and infrastructure developed towards ensuring an ICT-equipped educational system has diversified the possibilities and potential of the academic community.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

All the academic and administrative activities at the College are executed systematically in adherence to the academic calender. 1.Academic Calendar:

- A comprehensive almanac is prepared in due consultation with the College Council, Controller of Examinations and the IQAC. It is uploaded in the College website following approval of the Governing Council. It is also incorporated in the Student Handbook.
- Content of Academic Calendar: Working days, holidays, vacation, schedule of internal and external

- examinations and expected dates of declaration of result
- Preparation of a Master Timetable- any changes in this to be made in consultation with the College Council.
- Preparation of Department Timetable done with distribution of work to faculty.
- Semester breaks effectively utilized to meet mandatory curriculum requirements like internships, experiential learning, audit courses, study tour

2.Teaching Plan:

- Preparation of Teaching Plan: IQAC format for Course/Teaching plan
- Department work distribution in accordance with UGC stipulation, student feedback, faculty expertise and interest
- Weekly schedule is decided according to the syllabus requirements
- The first hour of each course is devoted to dissemination of information regarding syllabus, course delivery and expected outcome
- 3.Adherence to Academic Calendar and Teaching Plan
 - The College Council and the Examination Committee ensures the smooth execution of the schedule.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

Extensive upgrading of Examination Management System(EMS) by integrating IT to examination procedures. The extensive measures adopted can be categorised as follows: 1.Examination Procedure

- The Office of the Controller of Examinations (CoE) prepares a detailed Examination Calendar
- The Departments supervise the preparation of teaching plans and schedule internal examinations in congruence with the Calendar
- The Internal Examination marks are uploaded on the LMS portal
- University CIA(Continous Internal Assessment): One sessional exam, assignment, seminar/viva and attendance.

2.IT Integration

- Infrastructure: An automated Examination Management System with unique student ID.
- Question Bank System: QnSmarti software for question papergeneration integrated with OBE framework.
- V-MAP software for the calculation of mapping attainment

of outcomes.

- Automated Result Analysis available at Linways AMS
- Barcode Mechanism for generation of false numbers
- Online assessment strategies were implemented during the pandemic

•

3.Continuous Internal Assessment System

 While the Internal Assessment System of the University is adhered to, the College ensures a successful academic track record among students by adopting several reforms and practices to enhance the internal assessment measures like viva, Course specific activities etc.

IT integration in EMS helped to minimise chances for error, better accuracy, and lesser human effort leading to efficient utilisation of manpower resources.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Programme Outcomes, Programme Specific Outcomes and Course Outcomes have been drafted in tune with the vision and mission of the College, and are displayed on the website. 1.Integration of OBE:

- The syllabi specify the PSOs and COs which are the pointers for preparation and revision of its units and modules
- Discussion on directives at Council Meetings
- Drafting of PO by a core team nominated at the Council Meeting
- Departmental meeting for the drafting and review of PSOs and COs
- Recommendation from BoS
- Approval from Academic Council

• Revision of syllabi oriented towards specified outcomes

2.Dissemination

- The POs, PSOs, and consolidated COs are displayed on the website
- The Student Handbook with POs and Graduate Attributes.
- Students are briefed on the outcomes in detail during orientation sessions at the time of admission.
- Incorporated in the teaching plan/course plan
- Tutor also briefs the outcome-based education during the first tutorial hour to clarify students' concerns regarding the learning outcomes and the means to achieve those effectively
- The outcomes are also mentioned in the syllabus of each course
- 3. Mapping of outcomes is executed through Bloom's Taxonomy based on which the Question Banks are prepared and attainment of outcomes is measured through V-MAP.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

V-MAP (Vimala- Method of Measuring Attainment of Programme Outcomes

1.Method

- The attainment calculation has direct and indirect methods of evaluation:
- The Direct mechanism is based on the consolidated result of the programme which includes: Internal and End Semester Examinations.
- The indirect method is executed based on an Outcome Attainment Survey

- 2.Mapping of outcomes to four parameters "explain", "demonstrative", "can be analysed" and "meet the requirement" on a 4 point scale.
 - The batch wise average of the feedback score mapped to a 4 point scale.

3.Level of Attainment

- The final direct component (D) comprises 20% of the internal and 80% of the external component.
- The indirect component (ID) is obtained through the Attainment Survey.
- The final CO attainment (FA) weightage comprises 20% of indirect (ID) and 80% of direct (D) component.
- The attainment level of PO and PSO is calculated based on the final CO attainment score.
- Based on direct and indirect components, attainment level is analysed for each student.
- The statistical analysis of PO and PSO attainment is done.
- Benchmark of attainment at three levels are set at activity to CO, CO to PO and CO to PSO levels.
- The analysis thus obtained through the software, enables the adoption of corrective measures.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The College has an Innovation & Incubation Cell under KSIDC, theactivities of which are now featured under the IIC of the MoE. 1.Innovation and Incubation

- Institution's Innovation Council (IIC): under MoE
- Young Innovators Programme (YIP): active participation in Government of Kerala initiative
- Vimala Centre for Innovation: incubation of eco-friendly sanitary Napkins in collaboration with Khadi Board and College seed money support
- Departmental Entrepreneurship Efforts: Astrophile(LED stars and lamps), Aquaphilia(fish cultivation), mushroom cultivation, V Fert(green compost manure), C Glow(soap products and sanitizers), Brochure Designing and Foodie's Spot

2. Research

- Areas of Specialisation: Material Science Division, Tissue Culture, Pisciculture, Polymer Chemistry, Dietetics, Textile Technology
- Infrastructural Support: Material Synthesis Lab, DST-FIST Lab, Zoology Workstation, Tissue Culture Lab, Instrumentation Lab, Home Science Labs
- MoUs in research with institutions like SCIO
 Oxford, CPCRI, KFRI, FECER and KAU, to transform research ideas for the benefit of society.
- Several research publications with institutions of International and National repute.

3.Entrepreneurship

- ED Club (DIC, Kerala): skill development sessions/ fests and exhibitions
- Business Track, Riti, eco-friendly textile designing

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Vimala College is the realization of the aspiration of the CMC Management to dedicate their life and service to the vocation of women's education. The Management drafted an education policy, motto, vision and mission statements:

- Vision: We envision the total transformation of young women for their enrichment and of the society at large and the nation as a whole.
- Mission: We dedicate ourselves to the mission of training women for academic excellence, development of skills and character formation based on the love of God and service to the society and country.

Nature of Governance:

- Democratic and fair distribution of duties and responsibilities is ensured through a well-drafted Organogram.
- Governing Body of the CMC Management, the apex authority of the College, takes care of academic excellence and administrative effectiveness
- Statutory Committees (Governing Council, Academic Council, College Council, BoS, Finance Committee and IQAC) frame policies and execute them

 Controller of Examinations and the Examination committee takes care of timely conduct of both internal and external examinations.

Perspective Plan:

• The IQAC drafts the Perspective Plan, Strategic Plan and Action Plan in consultation with the Departments and teachers taking into consideration NAAC recommendations, stakeholder suggestions and expert opinions.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

All the milestones that the College has marked in more than fifty years of its existence - like achieving the highest grade in the preceding three cycles of NAAC Accreditation, worthwhile commemoration of Silver and Golden Jubilee years, the glorious path to Autonomy and CPE, and the immense other major and minor feats accomplished in its onward journey - affirm the collaborative and inclusive approach ingrained in the organisational culture. Participation of Teachers:

- The Governing Council and Academic Council consist of senior teachers nominated by the Principal.
- The Principal along with the two Vice Principals, takes all stakeholders into confidence while planning and implementing various activities.
- The College Council consists of staff representatives in addition to the HoDs, IQAC Coordinator, Superintendent and Librarian which ensures the representation of all these sections in the strategic decisions.
- The Operations Manual details the role and functions of all committees which ensures clarity in the distribution of work.
- The leadership of various committees and the members are decided after close examination of the potential, work culture and academic background of the staff members.

 Representation of teachers in various bodies like Staff Recruitment committee, Management Admission Committee, Planning and Evaluation committees etc. ensure democratic management and transparency.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The IQAC engages in constant efforts to upgrade the quality of teaching-learning in the Institution thereby setting a standard that can be emulated. Two practices institutionalized as a result of IQAC initiatives are: 1.Curriculum Enrichment:

- Academic initiatives to enhance the quality of curricula through the introduction of new programmes and courses.
- Objectives :Ensure academic flexibility and skill enhancement through the introduction of Choice-Based Enrichment Courses

- Outline: IQAC undertook initiatives to institutionalize curriculum enrichment accordance with the recommendations of the NAAC peer team and stakeholder feedback
- Implementation: Feedback on the curriculum collected and Pre board Meetings conducted in accordance with the IQAC directives
- Syllabus Design and Approval
- IQAC organised syllabus revision workshops and training programmes
- A Curriculum Enrichment Committee (CEC) was constituted
- Value addition and add-on certificate courses were proposed to supplement the gaps identified
- Outcome: New programmes initiated, Syllabi of all programmes were revised

2.Faculty Enrichment Programme:

- Objective: The organisation and conduct of enrichment programmes for staff members
- Outline: Sustainable and visionary enrichment programmes were formulated during the strategic planning phase
- Implementation: The Faculty Enrichment Committee organises FEPs.
- Outcome: Exponential increase in the number of FEPs organised and participated
- One-week national level FDP under the aegis of the PMMMNMTT of the MHRD

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

Two focal areas where IQAC facilitated reforms in the Institution are Outcome Based structuring of the teaching learning mechanism and the translation of academic research into innovations and discoveries for the welfare, progress and practical applications in daily life. 1.Institutionalisation of OBE:

- IQAC facilitated the design, delivery and evaluation of the curriculum in the direction of outcome based education and concerted measures as Orientation, seminars, workshops on OBE Sessions held at department level to formulate PSOs and Cos.
- OBE was implemented across all programmes and all courses
- V-MAP [Vimala- Method of Measuring Attainment of Programme Outcomes], an indigenous method was developed for outcome attainment measurement
- QnSmarti Software for Question Bank integrated with artificial intelligence to generate Question Papers aligned to OBE

2.Promotion of Research:

- IQAC drafted Policies on Research and Consultancy and initiating student researcher programmes
- All Aided PG Departments as Research Centres.
- Instituted Seed money for Research
- Initiatives to encourage research collaborations, consultancy and faculty enrichment
- Academic Confluences: Explorigate: Research webinar series
- SPARK: Annual Interdepartmental PG Project Presentation Competition
- V-TRACK for UG students
- Vinspiration talk by meritorious alumnae
- Several other activities to enhance teaching-learning atmosphere in the College are adopted and executed systematically by the IQAC.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Institutional Distinctiveness - Attributes of a Vimalite

For more than five decades now, the thrust and focus of Vimala on women empowerment has evolved into a culture that reflects in all spheres. All stakeholders of the College imbibe this culture that culminates in the moulding of a Vimalite as described and envisioned in the graduate attributes that the Institution upholds. The initiation to college education is through an Induction Programme envisioned as Vimalaarambham - the beginning at Vimala. The Curriculum design and reforms are executed to empower pupils to develop into civic, responsible and independent individuals. Sensitivity to/knowledge of contemporary issues are imparted through the value addition courses. Various innovative programmes like VTRACK, SPARK, Vinspiration, Explorigate, VLead and V-Respond provides a distinctive learning environment for students. An alumnae community comprising 5 out of the 19 women Olympians in the state, international and national sports stars, renowned academicians, entrepreneurs and artistes of high stature, form the touchstone of excellence for future generations. This mark of excellence-that of being a Vimalite-sets each of the students apart from the rest of their peers, an honour and legacy that prevails throughout their lives. Thus, what makes Vimala distinct is her student community.
