

## ***Vimalaardram: For the Community***

Vimala has always held in high stead the stake holders who have contributed in a thousand ways in upholding the ideals that the College rests on. While the Association has been working to bring together the huge fraternity of students and teachers who are the very essence of this institution, the responsibility towards the community that forms an integral part of the College's existence and growth cannot be overlooked. Recognising the need to contribute to the uplift of the society, the Association launched *Vimalaardram* – an outreach initiative that was inaugurated in the year 2017. The inaugural event was the distribution of Christmas kits among patients of Pain and Palliative Care as well as an Old Age Home in December 2017. In April 2018, a facility for the aged women in the community was opened at Padukad where they will be taken care of during the day. These are the first steps of the planned and structured outreach activities that the Association hopes to take up in future.

*Vimalaardram* is envisioned as the vehicle for positive transformation that the Association wishes to affect in the community.

**Handing over gym equipments to the Autism Centre, Chembukkavu on December 22<sup>nd</sup> 2018.**

The executive members visited Ashraya Bhavan on 09-01-2020 which is a rehabilitation project dedicated to the welfare of old age people. We supported them by supplying grocery and other items to the Centre, generously contributed by alumnae and teachers of the College.
