

WALK WITH THE NATURE

2022-23

As a part of best practice, the **first year B Com students** were taken to explore nature to Athirappilly Waterfalls and Thumbur Mozhi on 04th March, 2023. The journey began at 7.30 pm from college and to Athirappilly Waterfalls first. Students were taken to the waterfalls and let them feel the forest, water and scenic beauty. It is designed as a part of best practice of the department. There were 58 students participated in the program. It helped the students to explore the natural beauty to a large extent and all were really enjoyed of the waterfall at Athirappilly and Thumboor Mozhi.

WALK WITH THE NATURE

2023-24

The Event PG Department of Commerce and Research organized an enlightening “Walk with Nature” to Cheppara rock garden and Poomala dam for the first year B.com students (self) on 28th September 2023. The journey commenced at 9.00am from the college. The Cheppara Rock Garden was the first destination. The Panoramic view of the rock from the top was amazing with its natural beauty. It allowed the students to enjoy the scenic beauty. Poomala Dam with its calm water and lush green surroundings also offered a wonderful experience for the students. The trip is designed as a part of best practice of the department. In this activity students were participated. It helped the students to explore the natural beauty and all were really enjoyed. The trip served as a reminder of the importance of preserving our environment.

2024 - 2025

As part of the best practices of the Commerce Department, an enriching one-day program titled "Walk with Nature" was organized on the 18th of January 2025 for the first-year students from both the aided and self-financing batches. This initiative aimed to foster an appreciation for nature while providing students with a refreshing break from their academic routines.

The trip included visits to Cheppara, a majestic rock formation offering panoramic views, and Poomala Dam, known for its serene surroundings. The program was coordinated by Dr. Nisha Leela Jose and Ms. Parvathy, with Ms. Sariga also accompanying the students.

The day began with a trek to the top of Cheppara, where students marveled at the breathtaking views and experienced the tranquility of the natural environment. Later, the group visited Poomala Dam, where they explored the scenic area, captured memorable moments, and bonded with their peers.

The program, as part of the department's best practices, provided an excellent opportunity for students to unwind and connect with the natural world. Participants expressed their joy and gratitude, describing the trip as a memorable and refreshing experience.
