## REPORT Academic Year 2019-2020

**Name of the Event: Bird Walk at Peechi Wildlife sanctuary**

Date: 12-11-2019

Time: 10 to 12 am

Venue: Peechi Wildlife sanctuary

Organized by: Zoology Association

Collaboration (if any): nil

No. of participants: 36 UG students and two teachers

Faculty co-ordinator: Dr Petrisia Joseph

## Brief Report of the Event

(Objectives, brief narration of the event, resource persons, and Outcomes)

**Objective:** As a part of National Birding day Zoology department and Nature club Irinjalakuda in collaboration with Peechi Wildlife Division had organized a bird watching programme on 12<sup>th</sup> November 2019 Tuesday. Third year zoology students and their tutor Dr.Petrisia Joseph and co-tutor Dr.Feebarani John had been a part of this programme.

36 III Dc students and two faculties, Dr.Petrisia Joseph and Dr.Feebarani John accompanied the students. The team started the journey from college at 7.20 AM by seeking the blessing of god almighty and reached Peechi – Vazhani wildlife sanctuary at 8.45 AM. The students were welcomed and accompanied by forest officers Mr. Sathishkumar, Ms.Asha and Mr. Xavier Elthuruth, forest watcher, conservation biologist of Peechi division Mr.Bibin Paul and Wildlife photographers and bird watchers were in the team. Mr. Nikhil Krishna, Wildlife photographer, environmentalist and coordinator, of Irinjalakuda nature club and Mr. Divin also joined with the team

**Outcome:** Create the attitude of environmental protection and developing the habit of watching the birds in the locality.

Students identified varieties of birds like *BlackDrongo*, (a bird that mimics the sounds of predator birds) *Common Iora*, *Sunbird*, *Red vented bulbul*, *Blue tailed bee eater*, *White cheeked barbet*, *Asian paradise flycatcher*, *Kingfisher* etc. and the largest butterfly Southern Birdwing. The forest has a vast collection of variety of medicinal plants such as *Rauwolfiaserpentina*, *Santalum album Linn*, *Eucalyptus melliodora*, *Helicteresisora Linn* and *Piper longum*.

After a long exploration in the wild, students returned back to the college by thanking the team for organizing this programme.
