### **Report**

On 15<sup>th</sup> march 2019 a **Workshop on Cake Icing** was conducted for the students of Bvoc Food Processing at Home Science Department. Mrs Ashoka Poornima Kannan was the resource person for the workshop. The 16 students of BVoc attended the session. The workshop was based on different types of icing. She described each step of cake making, baking, icing and finishing very clearly. The icings done include butter icing, whipped cream icing and ganache. These icing were used to make four different cakes: Doll cake, Anti gravity cake, Chocolate truffle and Vancho cake. In between the workshop she also introduced innovative baking techniques and tools which makes our work easier and perfect. The workshop was very much effective for the students. The entire programme ended at 4.00pm. Dr. Agey Pappachan .T and Ms. Devyani Haridas Pisharady were the teacher co-ordinators and Ms. Riya Mol. A and Ms. Maria. C. Benny performed as student co-ordinators of this programme
