

"A computer would deserve to be called intelligent if it could deceive a human into believing that it was human"

Alan Turing

Department of Computer Science is happy to announce the launch of "Staff Bits" as part of E-Mantra 2020, World Computer Literacy Day Celebrations.

About Staff Bits

It's a Google classroom opened for our non-teaching staff which contains new features of Google Docs, Google Sheets, Google Drive, Gmail, Whatsapp, All in one PDF editors, Google Keep, Microsoft Office App etc. They can easily login to Google classroom and watch videos on each topic. We assure you that these tools will be of great use to all of you.

World Computer Literacy Day has been celebrated annually on December 2nd of every year. The world operates on the computer and digital gadgets. They had become an essential thing in everyday life. World Computer Literacy Day is observed to promote the awareness about the computer and electronic devices. This day encourages people to use them efficiently with a range of skills ranging from primary use to the programming level and advanced problem-solving. Taking this day as the best opportunity to impart awareness on new technologies that our non-teaching staff can efficiently utilize to ease their works.
