

S211

Report

Academic year 2020-2021

Name of the webinar: Webinar on Food safety guidelines for food manufacturing during COVID – 19 pandemic

Date: 17 October 2020, Time: 2.00pm to 4.00pm

Venue: Google meet

Organized by: Department of Home Science-B.Voc Food Processing

Collaboration: KEFTA

Number of Participants: 100

Brief report of the event

As a part of ‘world food day celebration’ Vimala College (Autonomous), Thrissur, department of Home science- Bvoc food processing, conducted a webinar on “**food safety guidelines for food manufacturing during COVID -19 pandemic**” in association with Food Safety and Standard Authority of India (FSSAI) and Kerala Food Technologist Association (KEFTA). Hundred participants were attended this session from different colleges. It was held at google meet. Our chief guest Sri Jinesh E.P gave a short description about the topic and he handed over it to our resource person Sri Bins. K. Thomas. It was a very informative session as he covered major points that a food business operator wants to follow during COVID-19 pandemic. He took the class in two sessions and covered how does the disease spread, symptoms, who are most likely to get the disease, whether COVID-19 transmitted through food, responsibility of FBO, personal hygiene, and food handlers, social distancing, cleaning and sanitation, food services, delivery, food packaging etc. In between this session, we got a 10 minutes break. There was a question and answer session, which make the participants more aware about the topic. The feedback about the session collected from all participants and an e-certificate awarded to all participants. Ms. Rinu Thomas was the teacher coordinator & Ms. Sona Alwin and Ms. Ceona Joseph performed as the student’s coordinators of this programme.
