Report

A webinar was conducted by department of Home Science at Vimala College on the topic Role Of Vitamin D In Preventing Respiratory Infection on 27th May 2020 at 10:30-11:30am. The event was conducted through online platform –Cisco WebEx meetings due to the prevailing situations of COVID 19 pandemic .The speaker was Prof. Ranju Kunkalikal, Associate Professor from Goa College of Home Science, Goa University. Mrs. Betty Thomas, Assistant professor on contract coordinated the event and Mrs.Mony Geege was the moderator of the programme. Dr. Thomas Ruby Mariamma (HOD, Home Science) delivered the welcome address to the guest speaker and participants. The programme was well planned and executed under the guidship of Dr. Thomas Ruby Mariamma (HOD). The topic chosen was of utmost relevance, as a lot of research is being done in this field in the present pandemic situation. Feedback of the event was collected and E certificates were given to all the participants who attended the session.
